Summary of Impacts / Risks and Potential Solutions

During preparation of an LBR, the Bank will assess the adequacy of the Borrower's ESMS to implement the activities expected to be financed by the LBR in a manner that meets the requirements of the ESPSs. Where necessary, adjustments to the Borrower's ESMS will be agreed with the Bank and incorporated in an ESAP. The definition of the indicators that are linked to disbursements and the corresponding targets of the LBR will also consider environmental and social performance and intermediate or final outcomes, as appropriate.

E&S Screening Filter

The activities of the LBR will not have impacts or risks on human health and the environment, have GHG emissions, generate waste and/or use pesticides.

The activities of the LBR will not have impacts or risks on health and safety of the project-affected people, impacts on the sub-projects themselves from natural hazards and climate change and/or risks associated with human rights.

No natural hazards, such as earthquakes, droughts, landslides, floods, wildfires, or others, including those caused or exacerbated by climate change, are likely to occur in the areas of the activities under the LBR, and these may impact the project, and/or the activities of the LBR may exacerbate the risk from natural hazards to human life, property, and/or the environment.

The activities of the LBR will not negatively impact people due to land acquisition.

The activities of the LBR will not have significant impacts or risks on biodiversity and ecosystem services and/or introduce (intentionally or accidentally) alien, or non-native, species of flora and fauna.

The activities of the LBR will not impact Indigenous Peoples.

The activities of the LBR will not impact cultural heritage.
