Dear Requesters,

After analyzing your Request and the complimentary information sent with it, I would like to notify you that we are proceeding to register it in accordance with paragraph 20 of the Policy of the Independent Consultation and Investigation Mechanism (MI-47-8).

Registration is an administrative process to initiate the eligibility analysis in which it will be determined whether we can attend to your Request, based on the criteria in paragraph 22 of the Policy. Below are the steps that will take place in the coming weeks.

1. **Management Response**: the team responsible for the Project is being simultaneously informed of the registration of your Request so that they can respond to the issues raised, offering the perspective of IDB management. They have a maximum period of 21 business days starting today to prepare this response. The deadline for the Administration’s Response is **January 25, 2024**.

2. **Eligibility Analysis**: once we receive the Administration’s response, and if it does not request a suspension period for corrections, we will be issuing out determination through a Memorandum of Eligibility within a maximum period of 21 business days. The deadline for the issuance of the Memorandum is **February 27, 2024**

During this period, we will be continuously communicating with you. Additionally, we would like to inform you that a file of your Request has been opened in the Mechanism’s Public Registry, where you can consult the process and where all the public documents of pertaining to the case will be published.

We remain at your service to answer any further questions you may have regarding the MICI process.

Best regards,

FROM: Andrea Repetto Vargas, MICI Director
