

**Country: GUYANA**  
**Project: GEORGETOWN WATER AND SEWERAGE PROGRAMME**  
**Sector: Consulting**  
**Abstract: VACANCY FOR PROGRAM MANAGER**  
**Project No. 1047/SF-GY**

This notice appears in *UN Development Business Online* only and not in the printed version. Although this notice is assigned to a specific print issue, the official publication date of this notice is considered the date that it is posted online.

Guyana Water Inc. has embarked on Phase II of the Remedial Maintenance Project for the Georgetown Water Supply and Sewerage Systems with funding secured by the Government of Guyana from the Inter-American Development Bank (IDB). The Georgetown II Programme includes construction and rehabilitation of water treatment plants, installation of transmission mains, rehabilitation of distribution networks and service pipes, metering, and rehabilitation of sewerage networks and sewage pumping stations.

The Company is seeking to engage a well qualified, experienced, and action-oriented person as Program Manager.

**Job Summary:**

The Program Manager will have responsibility for managing the US\$ 30 million program, which is being implemented over a five-year period. Responsibilities will include the preparation and updating of the program financial plan and implementation schedule, the preparation of designs and tender documents, administration of contracts, monitoring progress and taking action to ensure that performance targets are met, undertaking periodic beneficiary impact evaluations, and ensuring that donor and other reporting requirements are complied with.

**Person Profile:**

- BSc in Civil or Sanitary Engineering or related discipline  
Chartered / Professional Engineer or equivalent and / or MSc
- Ten years experience as an Engineer in designing and supervision of construction works
- Experience in the management of multiple water and sewerage projects
- Knowledge of international procurement procedures, particularly the IDB
- Knowledge and experience of working in developing countries

The successful candidate will be engaged on contract for a period of one year with the possibility of renewal.

Applications accompanied by curriculum vitae should be addressed to the address below.

The closing date for applications is 30 November 2005.
