Invitation for Prequalification

Deadline: 25 May 2010

The Cooperative Republic of Guyana has received a loan from the Inter-American Development Bank (IDB) toward the cost of the Citizen Security Programme, and it intends to apply part of the loan proceeds to payments under the contract for which this invitation for prequalification is issued.

Applications may be made for prequalification for the contracts. The Ministry of Home Affairs-Citizen Security Programme intends to prequalify contractors and/or firms for the construction of a Training Facility-Guyana Police Force.

It is expected that invitations for bid be made in July 2010.

Prequalification will be conducted through prequalification procedures specified in the IDB's <I>Policies for the Procurement of Works and Goods financed by the Inter-American Development Bank</I>, January 2005, and is open to all bidders from eligible source countries, as defined in the policies.

Interested eligible applicants may obtain further information from and inspect the prequalification document at the Citizen Security Programme (first address below), from 9:00 to 15:30 hours, Monday through Friday. A soft copy of the prequalification document may be obtained by interested applicants on the submission of a written application to the address below. Perspective applicants are advised to have available an electronic storage device to receive the document.

Applications for prequalification, clearly marked "Application to Prequalify for the Construction of a Training Facility-Guyana Police Force", must be submitted in sealed envelopes and delivered to the second address below by 25 May 2010.

Failure to adhere to the formats provided in the prequalification document will result in the non-consideration of the submission.
