NATURAL HAZARD MANAGEMENT IN URBAN COASTAL AREAS

Consulting

RISK ASSESSMENTS AND THE DEVELOPMENT OF RISK MANAGEMENT PLANS

Project No. JA-T1019

Contract No. : ATN/OC-10747-JA

Closing Date: 18 November 2009

The Government of Jamaica (GOJ) has received financing from the Inter-American Development Bank (IDB), and it intends to apply part of the proceeds to consulting services under the project Natural Hazard Management in Urban Coastal Areas to conduct detailed risk assessment and the development of risk management plans for three major coastal towns/cities.

The Office of Disaster Preparedness and Emergency Management now invites eligible consulting firms to indicate their interest in providing the services. Interested firms must provide information establishing that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Firms may associate to enhance their qualifications.

The firm must have at least five years experience dealing with Natural Coastal Hazards and Risk Assessment and the preparation of Risk Management Plans. Local firms must present evidence of Tax Compliance Certificate (TCC) and Registration with the National Contracts Commission (NCC). International firms if awarded contract will be required to obtain TCC and NCC Certification.

Firms will be selected in accordance with the procedures set out in the IDB's <I>Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank</I> (current edition) and is open to all eligible bidders as defined in the policies.

Interested firms may obtain further information at the address below during office hours (8:30 to 16:30).

Expressions of interest must be delivered via direct mail or e-mail to the address indicated below no later than 18 November 2009 at 15:00 hours.
