Dear Dr. Dohnert,

**Re: Letter of Request and Commitment of Counterpart**

As you are aware, the Government of the Commonwealth of Dominica is working assiduously to enhance the business climate of Dominica. As part of the activities geared towards strengthening the business environment, the Government of Dominica hereby request the support of the Compete Caribbean Partnership Facility by way of a Technical Cooperation Project.

The proposed project will aim to build capacity among economic actors who participate in trading across borders transactions through training aimed at improving understanding of current customs procedures.

This letter also serves to notify the Compete Caribbean Partnership Facility that the Government of Dominica hereby commits \$109,200.00 USD as local counterpart funds (cash and in-kind) for this Technical Cooperation to be funded by through Compete Caribbean's Business Climate Reform Pillar.
