ASSESSMENT AND IMPLEMENTATION OF BUSINESS CLIMATE REFORMS IN JAMAICA

Consulting

PROMOTING INNOVATIVE AND EFFICIENT INVESTMENT IN PRODUCTIVE INFRASTRUCTURE

Loan No: ATN/CF-12153-JA

Project No: JA-X1002

Closing date: 11 October 2010

The Planning Institute of Jamaica has received financing from the Inter-American Development Bank (IDB), and intends to apply part of the proceeds to payments under the project Assessment and Implementation of Business Climate Reforms in Jamaica, for the provision of consultancy services to enhance competitiveness in Jamaica by promoting innovative and efficient investment in productive infrastructure projects by means of Public Private Partnerships.

The specific objectives are: (i) to strengthen the institutional framework for carrying out PPPs and divestiture of government enterprises; (ii) rationalize the budget expenditure and contingencies of current PPPs and government enterprises and (iii) strengthen risk management skills for current and future PPPs and (iv) promote new PPP projects under a sustainable fiscal environment.

The Inter-American Development Bank now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information establishing that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc). Consultants may associate to enhance their qualifications.

Consultants will be selected in accordance with the procedures set out in the Inter-American Development Bank: <I>Policies for the selection and Contracting of Consultants financed by the Inter-American Development Bank</I> (current edition) and is open to all eligible bidders as defined in the policies.

Interested consultants may obtain further information at the address below during office hours 9:00 hours to 17:00 hours.

Expressions of interest must be delivered via e-Sourcing application at:
<https://enet.iadb.org/BidderWeb/signOn.aspx> by 11 October 2010, 18:00 hours.
