UNSERVED AREAS ELECTRIFICATION PROGRAMME
Consulting Services
MANAGEMENT OF LOSS REDUCTION INVESTMENT PROGRAM
Loan No. LO 1103/SF-GY
IFP No. GPL-CLRP-3; Invitation for Prequalification

The Government of the Cooperative Republic of Guyana (GoG) has received financing from the Inter-American Development Bank (IDB) toward the cost of the Unserved Areas Electrification Programme (UAEP). It is intended that part of the financing proceeds be applied to eligible payments for the provision of consulting services for the management of the Loss Reduction Investment Program. Prequalification is open to consulting entities from IDB's eligible source countries.

The Guyana Power and Light Inc. invites sealed tenders from eligible consulting firms to be prequalified to execute the said services for the UAEP.

Consulting firms may obtain further information from and inspect the prequalification documents at the office the Contracts and Supplies Manager (first address below).

A complete set of prequalification documents may be obtained by consulting entities on submission of a written application, e-mail or request in person to the same address, and upon payment of a non-refundable fee of G\$ 2,000 (or free by e-mail upon request to the electronic address below).

Prequalification tenders, addressed to Unserved Areas Electrification Programme (UAEP) and clearly marked "Prequalification Documents for Procurement of Consulting Services for the Management of the Loss Reduction Investment Program for Guyana Power and Light Inc.", must be delivered to the tender box at the second address below at or before 0900 hours on Tuesday, 27 June 2006. Prequalification documents will be opened immediately thereafter, at a public ceremony in the presence of the consultants' representatives who choose to attend, at the same address.

Consulting entities registered in Guyana must submit an IRD Compliance indicating that the applicant has met its income tax obligations and an NIS Compliance indicating that the applicant has met its obligations.
