Title

Supply and Demand Scenarios for Low Carbon and Digital Technologies for LAC's Mining Sector
For further details, see document attached to the right of this notice

Operational Consulting Services – Bank Executed Operation (BEO)

Name: CANEF: Promoting Environmentally Responsible Mining in Latin America and the Caribbean

Description: The objective of this consultancy is to develop scenarios to 2030 and 2050 for key minerals and metals demand associated with a global transition to low carbon energy and digital technologies and its impact on LAC countries. The methodology should map future demand of key metals and minerals to support the transition to the renewable energy and digital technologies necessary for keeping a global temperature rise this century at 1.5 and 2 degrees Celsius above pre-industrial levels, per the Paris Climate Agreement.

Deadline: 4 February 2020

* Definition of status types:

Open - Procurement notice is open for bidding;

Closed - Deadline has passed;

Cancelled - Procurement process is cancelled;

N/A - Not applicable, for General Procurement Notices with unspecified deadlines.

Please note that due to the difference in time zones, the actual deadline time may be a few hours earlier or later than when the status changes from Open to Closed on the website. Please do not solely rely on the above status and take note of the deadline in local time (found in the body of the text of each procurement notice).
