The *Government of Belize has received* financing from the *Inter-American Development Bank (IDB)*, toward the cost of the Detailed Designs of a Wastewater Treatment System for the village of Caye Caulker and intends to apply part of the proceeds for consulting services.

The consulting services ("the Services") include, but are not limited to, detailed design of a wastewater collection and treatment system for the island village of Caye Caulker including:

a. Review, update and re-validate projected sewage characteristics and demand;
b. Evaluate and determine the viability for implementing the preferred solution; and
c. preparation of detailed designs;

The project duration of the consultancy service is 14 months.

The *Belize Water Services Limited* now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The short list shall comprise of five (5) to eight (8) firms with a wide geographic spread.

Consultants will be selected in accordance with the procedures set out in the Inter-American Development Bank: *Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank* GN-2350-15 and is open to all eligible bidders as defined in the policies.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. For the purpose of establishing the short list, the nationality of a firm is that of the country in which it is legally incorporated or constituted and in the case of Joint Venture, the nationality of the firm appointed to represent it.

A Consultant will be selected in accordance with the *Quality and Cost-Based Selection (QCBS)* method set out in the Consultant Policies.
