REQUEST FOR EXPRESSIONS OF INTEREST

CONSULTING SERVICES

Institution: *Ministry of Works & Utilities*

Country: *The Bahamas*

Project: *Mid Term Evaluation of The Airport Infrastructure Program (BH-L1041)*

Sector: Environment and Natural Disaster

Abstract: *Mid Term Evaluation of The Airport Infrastructure Program (BH-L1041)*

Loan/Credit/Grant No.: *BH-L1041*

Contract/Bid No.: *TBD*

Deadline*: December 23, 2021*

The *Government of The Bahamas has received* financing from *the Inter-American Development Bank (IDB)*, toward the cost of the *Airport Infrastructure Program* and intends to apply part of the proceeds for consulting services.

The primary objective of the consultancy is to conduct a mid-term evaluation of the Airport Infrastructure Program with the aim of reviewing progress made from the beginning of the implementation of the Program against its original goals and operational objectives.

The *Ministry of Works & Utilities* now invites eligible individual consultants ("Consultant") to indicate their interest in providing the Services. Interested Consultants should provide information to demonstrate that they are capable of meeting selection criteria listed below:

- Review all relevant technical and operational documentation related to the Project
- Hold meetings with and interview representatives of the Project Implementation
- Review project activities, results, and challenges from the perspective of the Executing Agencies team members and operational staff
- Review project activities, results, and challenges from the perspective of the Lending Agencies team members and operational staff
- Complete thorough analysis of the technical aspects of each Component and each Activity planned
- Analyze the institutional aspects of Project execution, highlighting positive aspects and significant challenges and issues faced
- Review the Issues and Project Risks Section of the Loan Proposal
- Recommend and develop measures to improve inter-agency coordination and project execution management
- Assess Operational Objectives and perform SWOT Analysis
- Assess project performance in relation to goals, indicators, and benchmarks
- Evaluate Relevance, Efficiency, and Effectiveness of Program

Summary of Experience and qualifications:

- A professional with a minimum post-graduate degree in one of the following: Business Administration, Economics, Engineering, Financial Management, Public Administration, Public Policy, or any of the Social Sciences.
- Fifteen (15) years of post-graduate experience in the project planning, design, implementation, and results monitoring and evaluation for projects/ programs financed by international development organizations.
- Minimum of five (5) years practical experience in the development, analysis, and evaluation of international development projects, preferably on the environment or more specifically in coastal zone management
- Understanding of the operations and systems in The Bahamas, the Caribbean, small island developing states and IDB and/or international financial institutions would be an asset

Expression of Interest must include a signed Curriculum Vitae emphasizing details of work performed of a relevant nature.

A copy of the full Terms of Reference for the position as well as any further applicable information can be obtained by sending a request at the address below during office hours *0900 to 1600 hours*.

Consultant will be selected on the basis of their qualifications for the assignment, in accordance with the *Selection of Individual Consultants* method set out in the Inter-American Development Bank: *Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank* GN-2350-15 and is open to all eligible bidders as defined in the policies.

Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by fax, or by e-mail) by *December 23, 2021*.
