Contract title: Acquisition of Consulting Firm for Supervisory Services - NG Infrastructural Replacement

Selection Method: Quality and Cost-Based Selection (QCBS)

1. **The successful Consultant**

Name:	Stantec Consulting Caribbean Ltd.
Address:	Winslow House, Black Rock St. Michael BB12056

Contract price:	BBD $1,368,093.00
Contract duration:	24 months
Summary of scope:	The main objective of this consultancy is to oversee the infrastructural works associated with the reduction of unaccounted for gas or non-revenue gas through the replacement of leaky cast-iron mains with new polyethylene pipelines across the southern and southwestern areas of Barbados. The Consultant will assist the Project Execution Unit (PEU) of the National Petroleum Corporation (NPC) with the effective: i). Project Management and supervision of the Infrastructural works, ii). Application of best engineering and professional standards/practices to ensure quality, and iii). Averting of cost overruns. The Consultant will also provide advice and make recommendations to the execution team comprised of the PEU, the NPC's Technical Operations Department and all contractors hired to carry out the construction works. Additionally, the Consultant is required to provide resolution to any issues, which arises during the execution of these infrastructural works.

2. **Short listed Consultants**
