Contingent-Recovery Technical Cooperation ATC/OC-16389-RG  
Program to Support Public-Private Partnerships (PPPs)  
in Infrastructure (Amendment to Resolution DE-57/17)

The Board of Executive Directors

RESOLVES:

To amend Resolution DE-57/17, dated 5 October 2017, which shall read as follows:

1. That the President of the Bank, or such representative as he shall designate, is authorized, in the name and on behalf of the Bank, to enter into such agreements as may be necessary, and to adopt such other measures as may be pertinent for the execution of the project described in document AT-1534, with respect to a non-reimbursable technical cooperation and a contingent-recovery technical cooperation for the Program to Support Public-Private Partnerships (PPPs) in Infrastructure (hereinafter the "Program").
2. That the estimated amount of resources allocated for the financing of the nonreimbursable technical cooperation is US\$3,000,000 and that the estimated amount of resources allocated for the financing of the contingent recovery technical cooperation is US\$4,000,000, chargeable to the resources of the Ordinary Capital Strategic Development Program for Infrastructure.
3. That the resources allocated to each modality referred to in paragraph 2 above may be increased or decreased, as the case may be, as per document AT-1534-1, provided that the total financing of individual operations under the Program does not exceed the total amount of US\$7,000,000 approved and allocated to the entire Program.
