Dear Mrs. Turner-Jones:

Request for the staging of a Regional Water and Sewerage Conference in Jamaica

The Planning Institute of Jamaica (PIOJ) on behalf of the Government, requests the support of the Inter-American Development Bank in the staging of a regional water and sewerage conference sometime in 2016. It is anticipated that the conference will provide a forum for an exchange on priority issues facing the water and sewerage sector in the region. It should also, most importantly, present an opportunity to attract private sector investment in the sector. The discussion and knowledge exchanges will also serve to showcase best practices in Jamaica and elsewhere.

We look forward to discussing with the Bank the proposed scope, arrangements and timing of this event.

Your favourable consideration would be appreciated.

Yours truly,

Barbara Scott
for Director General
