

Scholarship Project for Management and Public Policy

REGIONAL

SECTOR: Education

NAME OF PROJECT: Scholarship Project for Management and Public Policy
(ATN/SF-4347-RG)

TOTAL COST: \$ 2.7 million

FINANCING:

IDB	\$ 1.9 million	
OTHER	\$ 0.8 million	from the University of Chile and the Latin American Economic Research Corporation

(CIEPLAN)

DATE OF APPROVAL: October 6, 1993

GENERAL DESCRIPTION: The goal of this nonreimbursable technical cooperation is to help train the professional staff of public agencies in the 26 borrowing countries of the Bank in the design and implementation of public policy and the management of public agencies within a regional context. This will be achieved by awarding scholarships to fund a masters program in management and public policy. The specific aims of this program are to (a) provide masters-level training to Latin American professional staff in management and public policy; (b) conduct research on public administration that can serve as teaching material for the masters program; and (c) publish research papers.

A total of 75 scholarships will be awarded with project funds.

Of that number, 60 will be financed by the IDB for public employees in borrowing countries (except for Chile), preferably in those countries that are less developed or have limited markets. The remaining 15 scholarships will be awarded by the executing agencies to Chileans.
