

NOTICE OF CONTRACT AWARD

RE: Selection #: RG-T2956-P002
Selection Method: SCS
Sector: Climate Change and Sustainability
Country: Regional
Financing ATN #: ATN/MC-16262-RG

Description of service:

The consulting firm will (i) Identify investment instruments and vehicles that have the potential to channel investments in sustainable infrastructure in domestic capital markets in Argentina, Brazil, Chile, Colombia, Mexico and Peru ("Primary LAC Markets"). It will focus on instruments' features, market and policy conditions that make the identified instruments successful; (ii) Provide an analysis of potential barriers to a successful use of these instruments and potential for scale up and replication in other countries and sectors; and (iii) Engage in consultation with market practitioners, regulators and investors.

The aforementioned selection process has been completed and the contract has been awarded as follows:

Firm name: South Pole Carbon Asset Management Ltd.
Firm country: Switzerland
Contract Value: \$119,485
Date of award/contract date: September 5, 2018

Thank you

Giovanni Leo Frisari

Division: Climate Change Division
