

BRAZIL
INSTITUTIONAL MODERNIZATION AND STRENGTHENING PROJECT
Consulting Services
DEVELOPMENT AND IMPLEMENTATION OF A SUPERVISION SYSTEM FOR THE
CAPITAL MARKET
Covenant ATN/MT-7887-BR

This request for expressions of interest appears in *UN Development Business Online* only and not in the printed version. Although this notice is assigned to a specific print issue, the official publication date of this notice is considered the date that it is posted online.

The Federative Republic of Brazil has signed a covenant that supports the costs of the Securities and Exchange Commission of Brazil (CVM) Institutional Modernization and Strengthening Project, and it intends to apply part of these funds to admissible payments for the selection of consultants for the design and implementation of a software system for the supervision of securities negotiations in the Brazilian market.

The CVM invites consulting companies to demonstrate interest in supplying the above-mentioned service objectives. Interested consultants must supply information indicating that they are qualified to provide the following services: design and implementation of a system that is capable of obtaining, registering, recording and analyzing negotiation data as well as news related to the securities market. The work of the consultants will consist of specifying technologies, programming, installation, testing and training of the CVM professionals, as well as maintenance and documentation of the system.

The information to be provided by interested companies must be the following:

- Declaration of previous service provision of a similar nature, with indications that they have the necessary expertise and ability to develop the activities
- Brief description of the methodology used in similar projects
- Description of potential team (personnel) and each member's experience and resume
- Other information that support the competence of the company in accomplishing similar projects

The company will be selected according to the procedures established in the Covenant Letter.

Interested companies may obtain further information at the address below.

Proposals must be delivered to the same address before 6 April 2007.
