(1) Grouping together of similar procurement is recommended, such as publications, travel, etc. If there is a number of similar individual contracts to be executed at different times, they can be grouped together under a single heading with the explanation in the comments column indicating the average individual amount and the period during which the contract would be executed. For example, an expert promotion project that includes travel to participate in fairs would have an item called "airfare for fairs", an estimated total value of USD5,000, and an explanation in the Comments column: "This is for approximately four different airfares to participate in fairs in the region in years 1 and 2".												
(2) (i) Individual consultants: ICQ: Individual Consultant Selection based on Qualifications; SSU: Single Source Selection. Selection process to be done in accordance with AM-ESU.												
(3) (i) Consulting Firms: Per GN-2362 - Consulting Firm selection methods for Bank-executed Operations are: Single Source Selection (SSS); Simplified Competitive Selection (S-2300) (PCS); Fully Competitive (F-2300) (PCS); and Framework Agreement Lots Order (FLO). All Consulting Firm selection processes under this policy must use the electronic module in Compliance.												
(4) (i) Goods: Per GN-2362 - Goods, part 8.2.2 - "The procurement of goods and related services, except when such goods and related services are necessary to achieve the objectives of the Bank-executed Operational Work and are included in the consulting services contract and represent less than ten percent (10%) of the consulting services contract value."
