- (ff) “Single Currency Qualified Borrowings” for borrowings denominated in any Single Currency means either: (i) from the date that the first Loan in such Single Currency is approved by the Bank's Board, resources of such Single Currency's transitional stabilization mechanism and borrowings of the Bank in such Single Currency that are assigned to fund loans in such Single Currency under the Single Currency Facility; or (ii) beginning on the first day of the seventh Semester following the above-mentioned date, borrowings of the Bank that are assigned to fund loans in such Single Currency under the Single Currency Facility.
- (gg) “Special Conditions” means the entirety of the provisions which comprise Part One of this Contract and contain the particular terms of the operation.

CHAPTER III

Amortization, Interest and Credit Fee

ARTICLE 3.01. Dates of Payment of Amortization and Interest. (a) **Ordinary Capital Financing.** The Borrower shall amortize the portion of the Loan disbursed against the Ordinary Capital Financing in semiannual, consecutive, and, insofar as possible, equal installments on the same dates as those determined in accordance with Section 2.02 (c) of the Special Conditions for payment of interest.

(b) **Fund for Special Operations Financing.** The Borrower shall amortize the portion of the Loan disbursed against the Fund for Special Operations Financing in one installment payable on the date set forth in Section 2.01(c) of the Special Conditions.

(c) If the date of signature of the Loan Contract falls between June 15 and 30 or between December 15 and 31, the dates for the payment of interest shall be June 15 and December 15, as the case may be.

ARTICLE 3.02. Credit Fee. (a) **Ordinary Capital Financing.** The Borrower shall pay on the undisbursed balance of the Ordinary Capital Financing a credit fee, which shall begin to accrue sixty (60) days after the date of signature of the Contract. The amount of said fee shall be as indicated in the Special Conditions and under no circumstance may exceed 0.75% per annum. The fee shall be payable in dollars, on the same dates as those specified for the payment of interest pursuant to the provisions of the Special Conditions.

(b) The credit fee shall cease to accrue in full or in part, as the case may be, to the extent that: (i) the respective disbursements have been made; or (ii) the Financing has been cancelled totally or partially pursuant to Articles 3.14, 3.15 and 4.02 of these General Conditions and the relevant provisions of the Special Conditions.

(c) **Fund for Special Operations Financing.** The Borrower shall not pay a credit fee with respect to the Fund for Special Operations Financing.

ARTICLE 3.03. Computation of Interest and Credit Fee. The interest and credit fee shall be calculated according to the exact number of days in the respective Semester.

ARTICLE 3.04. Interests. (a) **Ordinary Capital Financing.** (1) Interest shall be charged on the daily outstanding balances of the Loan until the Determination Date of the Fixed Base Rate, at an annual rate for each Quarter as determined by the Bank on the Determination Date of the LIBOR-Based Interest Rate for each Quarter, calculated as follows: (i) the respective LIBOR Interest Rate as defined in Article 2.01(v) of these General Conditions; (ii) plus or minus a cost margin computed quarterly as the weighted average of all the cost margins to the Bank related to the borrowings assigned to the pool of Bank borrowings which funds the Single Currency Facility Loans with a LIBOR-Based Interest Rate; (iii) plus the Ordinary Capital lending spread prevailing on the Determination Date of the LIBOR-Based Interest Rate for each Quarter, expressed as a percentage per annum.

(2) From the Determination Date of the Fixed Base Rate, interest shall be charged on the daily outstanding balances of the Loan at an annual fixed rate as determined by the Bank in the Determination Date of the Fixed Base Rate, calculated as follows: (i) the respective Fixed Base Rate as defined in Article 2.01(p) of these General Conditions; (ii) plus the Ordinary Capital lending spread prevailing on the Determination Date of the LIBOR-Based Interest Rate for each Quarter, expressed as a percentage per annum. The Bank shall promptly notify the Borrower of the Fixed Base Rate upon its determination, according to Article 2.01(k) of these General Conditions.

(3) The Borrower and Guarantor expressly acknowledge and agree that: (i) the LIBOR Interest Rate referred to in Article 3.04(a)(1)(i) above, and the cost margin of the Bank borrowings referred to in Article 3.04(a)(1)(ii) above, may be subject to significant fluctuations during the life of the Loan and, therefore, the LIBOR-Based Interest Rate may involve significant financial risks to the Borrower and the Guarantor; and (ii) any risk of fluctuations in the LIBOR-Based Interest Rate for Single Currency Facility loans is assumed entirely by the Borrower and the Guarantor, if applicable.

(4) Whenever, in light of changes in market practice affecting the determination of the LIBOR-Based Interest Rate for Single Currency Facility loans, the Bank determines that it is in the interest of its borrowers as a whole and of the Bank to apply a basis for determining the interest rate applicable to the Loan other than as provided in Article 3.04(a)(1) above, the Bank may modify the basis for determining the interest rate applicable to the Loan upon not less than three (3) months' notice to the Borrower and the Guarantor of the new basis. The new basis shall become effective on the expiration of the notice period unless the Borrower or the Guarantor notifies the Bank during said period of its objection thereto, in which case said modification shall not apply to the Loan.

(b) **Fund for Special Operations Financing.** The interest rate chargeable to the portion of the Loan disbursed against the Fund for Special Operations Financing shall be 0.25% per annum.

ARTICLE 3.05. Currency Obligations. All payments of amortization and interest shall be made in the Single Currency disbursed.

ARTICLE 3.06. Rate of Exchange. (a) The rate of exchange to be used to determine the equivalency of the currency of the Borrower's country, in relation to dollars, shall be as follows:

- (i) The rate of exchange pursuant to the understanding in force between the Bank and the respective member country for the purposes of maintaining the value of the currency in conformity with the provisions of Article V, Section 3 of the Agreement Establishing the Bank.
- (ii) Should there be no agreement in force between the Bank and the respective member country with regard to the rate of exchange to be applied for the purpose of maintaining the value of its currency held by the Bank, the latter shall have the right to require that the rate of exchange to be applied for the purposes of payment of amortization and interest shall be that which on the due date is utilized by the Central Bank of the member country or by the corresponding monetary authority to sell dollars to residents of such country, other than government agencies, for the following transactions: (a) payment

of principal and interest due; (b) remittance of dividends or other income from capital investments in the respective country; and (c) remittance of investment capital. In the event that there is no uniform rate of exchange for these three types of operations, the highest rate shall be applied, i.e., the rate representing the highest number of units of the currency of such country per dollar.

- (iii) If, on the date on which the payment is due, the foregoing rule cannot be applied because the operations referred to do not exist, payment shall be made on the basis of the most recent rate of exchange used for such operations within the thirty (30) days preceding the respective due date.
- (iv) If, notwithstanding the application of the foregoing rules, the effective rate of exchange for the purpose of determining payment cannot be ascertained, or if discrepancies arise in the determination thereof, the determination of the Bank shall prevail, taking into consideration the realities of the foreign exchange market of the member country concerned.
- (v) If, due to non-compliance with the foregoing rules, the Bank considers that any payment made in the respective currency has been insufficient, it shall so notify the Borrower immediately in order that the latter shall pay the difference within a period not greater than thirty (30) business days from receipt of the notification. If, on the other hand, the sum received by the Bank is higher than that due, it shall return the excess amount within the same time period.
- (vi) In case of a delayed payment the Bank may require that the rate of exchange in effect at the time of payment be applied.

(b) For the purpose of determining the equivalency in dollars of an expenditure incurred in the currency of the Borrower's country, one of the following rates of exchange shall be used, in accordance with the provisions set forth in the Special Conditions of this Contract and pursuant to paragraph (a) of this Article: (i) the same exchange rate used in the conversion of the resources disbursed in dollars of the United States of America to the currency of the Borrower's country. In this case, for purposes of the reimbursement of expenditures chargeable to the Financing and the recognition of expenditures chargeable to the local counterpart, the applicable exchange rate shall be the prevailing exchange rate on the date on which the request is presented to the Bank; or (ii) the prevailing exchange rate in force in the Borrower's country on the effective date of the payment of the expenditure in the currency of the Borrower's country.

ARTICLE 3.07. Valuation of Convertible Currencies. Whenever it shall be necessary pursuant to this Contract to determine the value of a currency of a country other than that of the Borrower in terms of another currency, such value shall be as reasonably determined by the Bank.

ARTICLE 3.08. Participations. (a) The Bank may cede to other public or private institutions, in the form of participations, the rights corresponding to the Borrower's pecuniary obligations under this Contract. The Bank shall promptly notify the Borrower of each assignment.

(b) Participations may be granted in respect of either of the following: (i) amounts of the Loan disbursed prior to execution of the participation agreement; or (ii) amounts of the Financing which are still undisbursed at the time of the participation agreement's execution.

ARTICLE 3.09. Application of Payments. All payments shall be applied first to returns of unjustified advances of funds, then to fees and interest due on the payment date, and if a balance exists, to the amortization of installments of principal due.

ARTICLE 3.10. Advance Payments. (a) Pursuant to an irrevocable request in writing to the Bank, accompanied by the written consent of the Guarantor, if any, at least thirty (30) days in advance, the Borrower may prepay, on one of the amortization payment dates, all or part of the outstanding balance of the Loan, provided that on the payment date no sum is due and outstanding in respect of fees or interest. The Borrower shall specify in the notice the amount the Borrower intends to prepay.

(b) Each partial advance payment shall be applied to the portion of the Loan disbursed against the Ordinary Capital Financing and the portion of the Loan disbursed against the Fund for Special Operations Financing in the same proportion that each represents of the total Financing. The part of the partial advance allocated to the Ordinary Capital Financing shall be applied *pro rata* to each unpaid installments of principal. The Borrower may not prepay the outstanding balance of a Loan disbursed against the Ordinary Capital Financing in an amount lower than three million dollars (US\$3,000,000), unless the remaining outstanding balance of the Loan is lower than that amount. The part of the partial advance allocated to the Fund for Special Operations Financing shall be applied against the single amortization installment.

(c) Notwithstanding the provision of sub paragraph (b) above, in cases of partial or total prepayment of the outstanding balance of the Loan disbursed against the Ordinary Capital Financing, any gain or loss resulting from the cancellation or change of the Bank's funding associated with the corresponding prepayment will be either credited or charged by the Bank to the Borrower, as the case may be, within thirty (30) days from the date of prepayment. In the event of any gain, it will be credited in first to any amounts due and payable by the Borrower to the Bank. The Bank shall also charge the Borrower any cost the Bank may incur as a result of failure on the part of the Borrower to comply with the written request for partial or total prepayment of the outstanding balance of the Loan as requested in advance by written notice of the Borrower, in accordance with the provisions of this Section.

ARTICLE 3.11. Receipts. At the request of the Bank, the Borrower shall sign and deliver to the Bank, upon the completion of disbursements, a receipt or receipts for the amounts disbursed. Likewise, the Borrower shall sign and deliver to the Bank, at its request, promissory notes or other negotiable instruments representing the Borrower's obligation to repay the Loan with the interest agreed upon in the Contract. Such documents shall be in the form prescribed by the Bank taking into account the applicable legal provisions of the country of the Borrower.

ARTICLE 3.12. Transactions Falling Due on Public Holidays. Any payment or other transaction which, pursuant to this Contract, should be effected on Saturday, Sunday or a day which is a banking holiday according to the law of the place where it is required to be made, shall be considered validly effected if carried out on the first business day immediately thereafter, and in such case no penalty whatsoever shall apply.

ARTICLE 3.13. Place of Payments. All payments shall be made at the principal office of the Bank in Washington, District of Columbia, United States of America, unless the Bank designates another place or places for this purpose by written notification to the Borrower.

ARTICLE 3.14. Renunciation of Part of the Financing. The Borrower, with the concurrence of the Guarantor, if any, may renounce, by written notice to the Bank, its right to utilize any amount of the Financing which has not been disbursed before the receipt of the notice, provided that the amounts foreseen in Article 5.03 of these General Conditions are not involved. The renunciation shall be deemed to have been made in respect of the Ordinary Capital Financing and the Fund for Special Operations Financing, and shall be applied in the same proportion that each represent, of the total amount of the Financing.

ARTICLE 3.15. Automatic Cancellation of Part of the Financing. Unless the Bank and the Borrower and the Guarantor, if any, expressly agree in writing to extend the term for making disbursements, that portion of the Financing not committed or disbursed, as the case may be, within the corresponding term, shall automatically be canceled.

CHAPTER IV

Conditions Relating to Disbursements

ARTICLE 4.01. Conditions Precedent to First Disbursement. The first disbursement of the Financing shall be subject to fulfillment of the following requirements to the satisfaction of the Bank:

(a) The Bank shall have received one or more well-founded legal opinions which establish, with citations of the pertinent constitutional, legal, and regulatory provisions, that the obligations undertaken by the Borrower in this Contract, and those of the Guarantor, if any, in the Guarantee Contract, are valid and enforceable. Such opinions shall also refer to any other legal question that the Bank may reasonably deem relevant.

(b) The Borrower, directly or through the Executing Agency, if any, shall have designated one or more officials to represent it in all acts relating to the implementation of this Contract and shall have furnished the Bank with authentic copies of the signatures of said representatives. Should two or more officials be designated, the designation shall indicate whether such officials may act separately or must act jointly.

(c) The Borrower, either directly or through the Executing Agency, as the case may be, shall have presented to the Bank an initial report prepared in the form indicated by the Bank, which in addition to such other information as the Bank may reasonably request pursuant to the provisions

of this Contract, shall set forth: (i) a plan for implementation of the Project including, except with respect to a program for the granting of credits, the plans and specifications deemed necessary by the Bank; (ii) a calendar or schedule of work or granting of credits, as the case may be; (iii) a table of the source and use of funds setting forth a detailed schedule of investments in accordance with the categories of investment established in this Contract and an indication of the annual contributions needed from the various sources of funds from which the Project will be financed; and (iv) the content that the progress reports referred to in Article 7.03(a)(i) of these General Conditions shall have. If this Contract permits the recognition of expenditures made prior to its entry into effect, the initial report shall include a statement of the investments and, in accordance with the objectives of the Financing, a description of works carried out under the Project or a statement as to credits granted, as the case may be, up to a date immediately preceding the report.

(d) The Borrower or Executing Agency shall have demonstrated to the Bank that it has an adequate financial information system and internal control structure for the purposes indicated in this Contract.

ARTICLE 4.02. Period for Fulfilling the Conditions Precedent to First Disbursement. If within one hundred eighty (180) days from the effective date of this Contract, or within such longer period as the parties may agree in writing, the conditions precedent to the first disbursement established in Article 4.01 of these General Conditions and in the Special Conditions have not been fulfilled, the Bank may terminate this Contract by giving notice to the Borrower.

ARTICLE 4.03. Requisites for All Disbursements. For the Bank to make any disbursement, it shall be necessary that: (a) the Borrower, or the Executing Agency, as the case may be, shall have submitted in writing, or by electronic means in such form and conditions as may be specified by the Bank, a disbursement request and, in support thereof, shall have supplied to the Bank such pertinent documents and other background materials as the Bank may have required; (b) the Borrower or the Executing Agency, as the case may be, shall have opened and maintains one or more bank accounts in a financial institution to which the Bank shall make the disbursements of the Financing; (c) unless the Bank otherwise agrees, disbursement requests must be presented no later than thirty (30) calendar days in advance of the date of expiration of the term for disbursement or of any extension thereof which the Borrower and the Bank may have agreed to in writing; (d) none of the circumstances described in Article 5.01 of these General Conditions shall have occurred; and (e) the Guarantor, if any, shall not be in non-compliance for more than one hundred twenty (120) days with any obligation to make payments to the Bank on any Loan or Guarantee.

ARTICLE 4.04. Application of Disbursed Amounts. The Bank shall calculate the percentage that each of the Ordinary Capital Financing and the Fund for Special Operations Financing represent of the total Financing and shall charge each disbursement to the Ordinary Capital and the Fund for Special Operations in the respective proportion.

ARTICLE 4.05. Disbursements for Technical Cooperation. If the Special Conditions contemplate the Financing of expenses for technical cooperation, the disbursements therefore may be made once the conditions established in Article 4.01(a) and (b) and in Article 4.03 of these General Conditions have been fulfilled.

ARTICLE 4.06. Disbursement Procedures. The Bank may make disbursements against the Financing: (a) by transferring to the Borrower the sums to which it is entitled under this Contract, under the modality of reimbursement of expenses and/or Advances of Funds; (b) by making payments on behalf of and in agreement with the Borrower to third parties; (c) by utilizing such other modality as the parties may agree upon in writing. Any banking expenses that may be charged by a third party in connection with disbursements shall be borne by the Borrower. Unless the parties agree otherwise, disbursements shall be made only in amounts of not less than the equivalent of one hundred thousand dollars of the United States of America (US\$100,000) each.

ARTICLE 4.07. Reimbursement of Expenditures. (a) With resources of the Financing and upon fulfillment of the requirements set forth in Articles 4.01 and 4.03 of these General Conditions and the pertinent requirements established in the Special Conditions, the Bank may disburse resources of the Financing to reimburse the Borrower and/or the Executing Agency, as the case may be, for expenditures related to the execution of the Project that are eligible to be financed with resources of the Financing, pursuant to the provisions of this Contract.

(b) Except by express agreement between the parties, the disbursement requests for reimbursing expenditures financed by the Borrower and/or Executing Agency, as the case may be, in accordance with paragraph (a) above, shall be made promptly following the incurrence of such expenses, or not later than sixty (60) days following the conclusion of each Semester or within such other term as the parties may agree.

ARTICLE 4.08. Advance of Funds. (a) Provided that the requirements of Articles 4.01 and 4.03 of these General Conditions and those which may be established in the Special Conditions have been fulfilled, the Bank may disburse resources from the Financing as an Advance of Funds to the Borrower or the Executing Agency, as the case may be, to cover eligible expenditures related to the execution of the Project, in accordance with the provisions of this Contract.

(b) The maximum amount of each Advance of Funds shall be set by the Bank on the basis of the liquidity needs of the Project to cover periodic projected expenditures, in accordance with paragraph (a) above. At no time may the maximum amount of an Advance of Funds exceed the amount required to finance such expenditures, during a period of up to six (6) months, in accordance with the investment schedule and the cash flow required to meet such purpose and the capacity demonstrated by the Borrower or the Executing Agency, as the case may be, to use the resources of the Financing.

(c) The Bank may: (i) increase the maximum amount of an Advance of Funds when immediate cash flow needs that merit such increase arise, upon presentation of a request duly justified and accompanied by a statement of projected expenditures for the execution of the Project during the corresponding Advance of Funds period in effect; or (ii) make a new Advance of Funds on the basis of the provisions contained in paragraph (b) above, provided that at least eighty percent (80%) of the total amount of resources disbursed as an Advance of Funds has been justified. The Bank may take any of the above-mentioned actions, provided that the requirements of Articles 4.01 and 4.03 of these General Conditions and those which may be established in the Special Conditions have been fulfilled.

(d) The Bank may also reduce or cancel the total aggregate balance of any Advance or Advances of Funds should the Bank determine that the disbursed resources of the Financing have not been used and/or have not been justified to the Bank sufficiently and on a timely basis, in accordance with the provisions of this Contract.

ARTICLE 4.09. Closing Period. The Borrower or the Executing Agency, as the case may be, shall: (a) present to the Bank's satisfaction, within a period of ninety (90) days from the date stipulated for the final disbursement of the Financing, the supporting documentation relating to expenditures made for the execution of the Project, and any other information that the Bank may have requested; and (b) return to the Bank, at the latest on the day of expiration of the Closing Period, the balance of disbursed resources of the Financing that has not been duly justified. If audit services are to be financed with resources of the Financing, and such services will not be concluded or billed prior to the expiration of the Closing Period referred to in section (a) above, the Borrower or the Executing Agency, as the case may be, shall inform and reach agreement with the Bank as to the way in which payment for such services will take place, and shall return to the Bank the resources of the Financing allotted for such purpose, should the Bank not receive the audited financial statements and/or audited financial reports within the periods stipulated in this Contract.

ARTICLE 4.10. Availability of Local Currency. The Bank shall be obliged to make disbursements to the Borrower in local currency only to the extent that the respective depository of the Bank has placed such currency at its effective disposition.

CHAPTER V

Suspension of Disbursements and Accelerated Maturity

ARTICLE 5.01. Suspension of Disbursements. The Bank, by written notice to the Borrower, may suspend disbursements if any of the following circumstances occurs and so long as it continues:

(a) Delay in the payment of any sums owed by the Borrower to the Bank for principal, fees, interest, return of Advances of Funds or for any other reason, under this Contract or any other Loan Contract entered into between the Bank and the Borrower.

(b) Nonfulfillment by the Borrower of any other obligation set forth in this Contract or in any other Contract entered into with the Bank for the Financing of the Project.

(c) Withdrawal or suspension from membership in the Bank of the country in which the Project is to be executed.

(d) The Project or the purposes of the Financing may be affected by: (i) any restriction, modification or alteration of the legal capacity, functions or assets of the Borrower or the Executing Agency; or (ii) any modification or change made without the written concurrence of the Bank of the basic conditions fulfilled before the approval of the Resolution authorizing the Financing or the signature of the Contract. In such cases, the Bank will have the right to require the Borrower and the Executing Agency to provide reasoned and detailed information. Only after hearing the Borrower or the Executing Agency and weighing the information or clarification received, or if the Borrower and

the Executing Agency fail to respond, may the Bank suspend disbursements if it considers that the modifications made affect the Project substantially and unfavorably or make its execution impossible.

(e) The non-compliance on the part of the Guarantor, if any, of any obligation set forth in the Guarantee Contract.

(f) When the Borrower is not a member country, any extraordinary circumstance which, in the opinion of the Bank, makes it unlikely that the Borrower will be able to comply with the obligations established in this Contract or to fulfill the purposes for which it was entered into.

(g) If it is determined at any stage that evidence is sufficient to support a finding that an employee, agent, or representative of the Borrower, Executing Agency or Contracting Agency, has engaged in a Prohibited Practice during a bidding process, negotiation of a contract, or the execution of a contract.

ARTICLE 5.02. Termination, Accelerated Maturity, or Partial Cancellation of Undisbursed Balances and other Measures.

(a) The Bank may terminate this Contract with respect to the part of the Financing not yet disbursed or may declare the entire loan or a portion thereof immediately due and payable, together with interest and fees accrued up to the date of payment if: (i) any of the circumstances set forth in paragraphs (a), (b), (c) and (e) of the preceding article continues for more than sixty (60) days; or (ii) the information referred to in paragraph (d) of the preceding article, or the clarifications or additional information presented by the Borrower or the Executing Agency or the Contracting Agency, if any, are not satisfactory to the Bank. If the Bank declares a portion of the loan immediately due and payable, payment received by the Bank shall be applied to the portion of the Loan disbursed against the Ordinary Capital Financing and the portion of the Loan disbursed against the Fund for Special Operations Financing, in the same proportion that each represents of the total Financing. The payment allocated to the Ordinary Capital Financing shall be applied *pro rata* to each unpaid installment of principal. The payment allocated to the Fund for Special Operations Financing shall be applied against the single amortization installment.

(b) The Bank may cancel the part of the Financing pertaining to the procurement of certain goods, works or related services, or consulting services, or may declare the portion of the Loan pertaining to such items immediately due and payable, if it determines at any time that: (i) the procurement was carried out without following the procedures set forth in this Contract; or (ii) representatives of the Borrower, Executing Agency or Contracting Agency have committed any Prohibited Practice, either in the process of selecting the contractor, supplier or consultant, or in the negotiation or execution of the respective contract, and the Borrower has not taken timely and remedial measures, observing the due process guarantees of the Borrowing country's legislation, and acceptable to the Bank. Any cancellation shall be deemed made with respect to the Ordinary Capital Financing and the Fund for Special Operations Financing, in the percentage that each represents of the total amount of the Financing.

(c) For the purposes of the General Conditions, a "Prohibited Practice" shall be understood to include the following acts: (i) a "corrupt practice", is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another

party; (ii) a “fraudulent practice”, is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation; (iii) a “coercive practice”, is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to improperly influence the actions of a party; (iv) a “collusive practice”, is an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party; and (v) an “obstructive practice”, is (a) deliberately destroying, falsifying, altering or concealing evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or (b) acts intended to materially impede the exercise of the Bank’s contractual rights of audit or access to information.

(d) If, in accordance with the administrative procedures of the Bank and/or the procedures agreed by the Bank and other international financial institutions for the mutual recognition of sanctions including debarment decisions, it is demonstrated that any firm, entity or individual bidding for or participating in a Bank-financed project including, *inter alia*, Borrower, bidders, suppliers, contractors, sub-contractors, concessionaires, applicants, consultants, Executing Agency or Contracting Agency (including their respective officers, employees and agents) has engaged in an act of fraud or corruption, the Bank may:

- (i) decide not to finance any proposal to award a contract or a contract awarded for works, goods, related services and consultant services financed by the Bank;
- (ii) suspend disbursement of the Financing as described in Article 5.01 (g) above of these General Conditions, if it is determined at any stage that evidence is sufficient to support a finding that an employee, agent or representative of the Borrower, Executing Agency or Contracting Agency has engaged in a Prohibited Practice;
- (iii) cancel, and/or accelerate repayment of, the portion of a loan or grant allotted for a contract as described in Article 5.02 (b) above of these General Conditions, when there is evidence that the representative of the Borrower has not taken the adequate remedial measures within a time period which the Bank considers reasonable, and in accordance with the due process guarantees of the Borrowing country’s legislation;
- (iv) issue a reprimand in the form of a formal letter of censure of the firm, entity or individual’s behavior;
- (v) issue a declaration that an individual, entity or firm is ineligible, either permanently or for a stated period of time, to be awarded or participate in contracts under Bank-financed projects except under such conditions as the Bank deems to be appropriate;

- (vi) refer the matter to appropriate law enforcement authorities; and/or
 - (vii) impose other sanctions that it deems to be appropriate under the circumstances, including the imposition of fines representing reimbursement to the Bank for costs associated with investigations and proceedings. Such other sanctions may be imposed in addition to or in lieu of other sanctions.
- (e) The imposition of any action to be taken by the Bank pursuant to the provisions referred to above may be public or private.

ARTICLE 5.03. Obligations not Affected. Notwithstanding the provisions of the foregoing Articles 5.01 and 5.02, none of the measures set forth in this Chapter shall affect the disbursement by the Bank of: (a) any amounts subject to the guarantee of an irrevocable letter of credit; and (b) any amounts which the Bank by specific written agreement with the Borrower or the Executing Agency, or the Contracting Agency, if any, has agreed to provide from the resources of the Financing to make payments to a contractor, or to a supplier of goods and related services or consultant services. The exceptions set forth in subparagraph (b) shall not apply if the Bank determines that Prohibited Practices occurred with respect to the procurement of, or the negotiation or execution of the contract for, the works, goods and related services or consultant services.

ARTICLE 5.04. Non-waiver of Rights. Any delay by the Bank in the exercise of its rights pursuant to this Contract, or failure to exercise them, shall not be construed as a waiver by the Bank of any such rights nor as acquiescence in events or circumstances which, had they occurred, would have empowered it to exercise them.

ARTICLE 5.05. Provisions not Affected. The application of any of the measures provided for by this Chapter shall not affect the obligations of the Borrower established in this Contract, which shall remain in full force and effect, except that in case the entire Loan has been declared due and payable, only the pecuniary obligations of the Borrower shall continue in force.

CHAPTER VI

Execution of the Project

ARTICLE 6.01. General Provisions for Execution of the Project. (a) The Borrower undertakes that the Project shall be executed with due diligence in conformity with sound financial and technical practices, and in accordance with the plans, specifications, investment schedule, budgets, regulations, and other documents approved by the Bank. The Borrower further undertakes that its obligations shall be fulfilled to the satisfaction of the Bank.

(b) Any important modification in the plans, specifications, investment schedule, budgets, regulations or other documents which the Bank has approved, as well as any substantial change in the contract or contracts for goods or services which may be funded with the resources devoted to the execution of the Project, or in the categories of investment, shall require the written consent of the Bank.

ARTICLE 6.02. Prices of Public Tenders. Contracts for execution of works, procurement of goods, and rendering of services for the Project shall be undertaken at a reasonable cost which shall generally be the lowest market price, taking into account quality, efficiency, and any other pertinent factors.

ARTICLE 6.03. Use of Goods. Except with the express authorization of the Bank, the goods acquired with the resources of the Financing shall be used exclusively for the purposes of the Project. Once the Project has been completed, the construction machinery and equipment utilized in the execution of the Project may be used for other purposes.

ARTICLE 6.04. Additional Resources. (a) The Borrower shall contribute in a timely manner all of the resources in addition to those of the Loan which may be necessary for the complete and uninterrupted execution of the Project. If during the process of disbursement of the Financing an increase in the estimated cost of the Project takes place, the Bank may require the modification of the investment schedule referred to in Article 4.01(d) of these General Conditions such that the Borrower shall meet such increase.

(b) Within the first sixty (60) days of each calendar year of Project execution, the Borrower shall demonstrate to the Bank that it will have available when needed, the resources necessary to make the local contribution during the respective year, if any.

CHAPTER VII

Financial Information and Internal Control Systems, Inspections, Reports and External Audits

ARTICLE 7.01. Financial Information and Internal Control Systems. (a) The Borrower or the Executing Agency, or the Contracting Agency, as the case may be, shall maintain: (i) a financial information system acceptable to the Bank that enables accounting, budgetary and financial record-keeping, as well as the issuance of financial statements and other reports related to the resources of the Financing and other financial sources, as the case may be; and (ii) an internal control structure that enables effective Project management; provides reliability regarding the financial information and the physical, magnetic and electronic records and files; and enables the fulfillment of the provisions of this Contract.

However, the foregoing shall not apply: (a) to encumbrances on goods used as security for payment of the unpaid balance of the purchase price; and (b) to encumbrances created in banking operations to secure payment of debts with maturities of not more than one year. ARTICLE 9.01 Composition of the Tribunal. (a) The Arbitration Tribunal shall be composed of three members to be appointed in the following manner: one by the Bank, another by the Borrower, and a third, hereinafter called the “Referee”, by direct agreement between the parties or through their respective arbitrators. If the parties or the arbitrators fail to agree on who the Referee shall be, or if one of the parties should not designate an arbitrator, the Referee shall be appointed, at the request of either party, by the Secretary General of the Organization of American States. If either of the parties fails to appoint an arbitrator, one shall be appointed by the Referee. If either of the appointed arbitrators or the Referee is unwilling or unable to act or to continue to act, his successor shall be appointed in the same manner as for the original appointment. The successor shall have the same functions and faculties as his predecessor.

(b) If the controversy affects not only the Borrower but also the Guarantor, if any, both shall be considered a single party and consequently shall act jointly in the designation of the arbitrator and for the other purposes of the arbitration proceedings.

ARTICLE 9.02. Initiation of the Procedure. In order to submit the controversy to arbitration, the claimant shall address to the other party a written communication setting forth the nature of the claim, the satisfaction or compensation which it seeks, and the name of the arbitrator it appoints. The party receiving such communication shall, within forty-five (45) days, notify the adverse party of the name of the person it appoints as arbitrator. If, within thirty (30) days after delivery of such notification to the claimant, the parties have not agreed upon the person who is to act as Referee, either party may request the Secretary General of the Organization of American States to make the appointment.

ARTICLE 9.03. Convening of the Tribunal. The Arbitration Tribunal shall be convened in Washington, District of Columbia, United States of America, on the date designated by the Referee, and, once convened, shall meet on the dates which the Tribunal itself shall establish.

ARTICLE 9.04. Procedure. (a) The Tribunal shall be competent to hear only the matters in controversy. It shall adopt its own procedures and may on its own initiative designate whatever experts it considers necessary. In any case, it shall give the parties the opportunity to make oral presentations.

(b) The Tribunal shall proceed ex aequo et bono, basing itself on the terms of this Contract, and shall issue an award even if either party should fail to appear or present its case.

(c) The award shall be in writing and shall be adopted with the concurrent vote of at least two members of the Tribunal. It shall be handed down within approximately sixty (60) days from the date on which the Referee is appointed, unless the Tribunal determines that, due to special and unforeseen circumstances, such period should be extended. The award shall be notified to the parties by means of a communication signed by at least two members of the Tribunal, and shall be complied with within thirty (30) days from the date of notification. The award shall be final and will not be subject to any appeal.

ARTICLE 9.05. **Costs.** The fees of each arbitrator shall be paid by the party which appointed him and the fees of the Referee shall be paid by both parties in equal proportion. Prior to the convening of the Tribunal, the parties shall agree on the remuneration of the other persons who, by mutual agreement, they deem should take part in the arbitration proceedings. If such agreement is not reached in a timely manner, the Tribunal itself shall determine the compensation which may be reasonable for such persons under the circumstances. Each party shall defray its own expenses in the arbitration proceedings, but the expenses of the Tribunal shall be borne equally by the parties. Any doubt regarding the division of costs or the manner in which they are to be paid shall be determined, without appeal, by the Tribunal.

ARTICLE 9.06. **Notification.** All notifications relative to the arbitration or to the award shall be made in the manner provided in this Contract. The parties waive any other form of notification.
