If the date of signature of the Loan Contract falls between June 15th and 30th or between December 15th and 31st, the dates for the payment of interest and for the payment of the first and subsequent amortization installments shall be June 15th and December 15th, as the case may be.

ARTICLE 3.02. Credit Fee. (a) The Borrower shall pay on the undisbursed balance of the Financing which is not in the currency of the Borrower's country a credit fee, which shall begin to accrue sixty (60) days after the date of the Contract. The amount of said fee shall be as indicated in the Special Conditions and under no circumstance may exceed 0.75% per annum.

(b) For Single Currency Facility Loans in dollars of the United States of America, this fee shall be paid in dollars of the United States of America. For Single Currency Facility Loans in currencies other than U.S. dollar Single Currency Facility Loans, this fee shall be paid in the currency of the particular Loan. This fee shall be paid on the same dates as those specified for the payment of interest pursuant to the provisions of the Special Conditions.

(c) This fee shall cease to accrue in full or in part, as the case may be, to the extent that: (i) the respective disbursements have been made; or (ii) the Financing has been cancelled totally or partially pursuant to Articles 3.13, 3.14 and 4.02 of these General Conditions and the relevant provisions of the Special Conditions.

ARTICLE 3.03. Computation of Interest and Credit Fee. The interest and credit fee shall be calculated according to the exact number of days in the respective Semester.

ARTICLE 3.04. Interest. (a) Interest shall be charged on the daily outstanding balances of the Loan at an annual rate for each Quarter as determined by the Bank on an Interest Rate Determination Date of the LIBOR-Based Interest Rate for each Quarter, calculated as follows: (i) the respective LIBOR Interest Rate as defined in Article 2.01(p) of these General Conditions; (ii) plus or minus a cost margin computed quarterly as the weighted average of all the cost margins to the Bank related to the borrowings assigned to the pool of Bank borrowings which funds the Single Currency Facility Loans with a LIBOR-Based Interest Rate; (iii) plus the ordinary capital lending spread prevailing on the Interest Rate Determination Date of the LIBOR-Based Interest Rate for each Quarter, expressed as a percentage per annum.

alternative for Single Currency Facility loans is assumed entirely by the Borrower and the Guarantor, if applicable.

(c) Whenever, in light of changes in market practice affecting the determination of the LIBOR-Based Interest Rate alternative for Single Currency Facility loans, the Bank determines that it is in the interest of its borrowers as a whole and of the Bank to apply a basis for determining the interest rate applicable to the Loan other than as provided in Article 3.04(a)(i) above, the Bank may modify the basis for determining the interest rate applicable to the Loan upon not less than three (3) months' notice to the Borrower and the Guarantor of the new basis. The new basis shall become effective on the expiration of the notice period unless the Borrower or the Guarantor notifies the Bank during said period of its objection thereto, in which case said modification shall not apply to the Loan.

(d) The Borrower, with the written consent of the Guarantor, if any, may request that all or part of the outstanding balance of the Loan with a LIBOR-Based Interest Rate be converted to a Fixed Interest Rate as defined in Article 2.01(i) of these General Conditions, which will be determined by the Bank and communicated by written notice to the Borrower. For purposes of the application of the Fixed Interest Rate to the outstanding balance, each conversion shall only be executed subject to a minimum amount of 25% of the net approved amount of the Financing (amount of the Financing minus cancellations) or three million dollars (US\$3,000,000), whichever is greater. The templates of the letters to proceed with the conversion, as determined hereby, will be submitted to the Borrower, as soon as the Borrower manifests the willingness to proceed with such conversion.

(e) The Borrower, with the written consent of the Guarantor, if any, may request that all or part of the outstanding balance of the Loan with a Fixed Interest Rate be reconverted to a Fixed Interest Rate be reconverted to a LIBOR-Based Interest Rate as determined pursuant to Article 3.04(a) of these General Conditions, through written notice to the Bank. Any gain or loss resulting from the cancellation or change of the Bank's funding associated with the reconversion, will be either credited or charged by the Bank to the Borrower, as the case may be, within thirty (30) days from the date of reconversion. In the event of any gain, it will be credited in the first place to any amounts due and payable by the Borrower to the Bank.

ARTICLE 3.07. Participations. (a) The Bank may cede to other public or private institutions, in the form of participations, the rights corresponding to the Borrower's pecuniary obligations under this Contract. The Bank shall promptly notify the Borrower of each assignment.

(b) Participations may be granted in respect of either of the following: (i) amounts of the Loan disbursed prior to execution of the participation agreement; or (ii) amounts of the Financing which are still undisbursed at the time of the participation agreement's execution.

(c) With the prior consent of the Borrower, the Bank may cede all or part of the undisbursed amount of the Financing to other public or private institutions. To that end, the portion subject to participation shall be denominated in terms of a fixed number of units of one or more convertible currencies. Likewise, with the Borrower's prior consent, the Bank may set, for the portion subject to participation, an interest rate other than that established in the present Contract. Interest payments and amortization installments shall be made in the specified currency in which the participation was granted and on the dates specified in Article 3.01 of these General Conditions. After the final disbursement has been made, the Bank shall give the Borrower and the Participant a schedule of amortization.

In the event that the prepayment does not cover the entire outstanding balance of the Loan, the prepayment will be applied proportionately to the remaining amortization installments. The Borrower may not prepay the outstanding balance of a Loan with Fixed Interest Rate in an amount lower than three million dollars (US\$3,000,000), unless the remaining outstanding balance of the Loan is lower than that amount. Notwithstanding the foregoing, in cases of any gain or loss resulting from the cancellation or change of the Bank's funding associated with the corresponding prepayment will be either credited or charged by the Bank to the Borrower, as the case may be. In the event of any gain, it will be credited in the first place to any amounts due and payable by the Borrower to the Bank.

ARTICLE 3.10. Receipts. At the request of the Bank, the Borrower shall sign and deliver to the Bank, upon the completion of disbursements, a receipt or receipts for the amounts disbursed.

Conditions Relating to Disbursements

ARTICLE 4.01. Conditions Precedent to First Disbursement. The first disbursement of the Financing shall be subject to fulfillment of the following requirements to the satisfaction of the Bank:

(a) The Bank shall have received one or more well-founded legal opinions which establish, with citations of the pertinent constitutional, legal, and regulatory provisions, that the obligations undertaken by the Borrower in this Contract, and those of the Guarantor, if any, in the Guarantee Contract, are valid and enforceable. Such opinions shall also refer to any other legal question that the Bank may reasonably deem relevant.

(b) The Borrower, directly or through the Executing Agency, if any, shall have designated one or more officials to represent it in all acts relating to the implementation of this Contract and shall have furnished the Bank with authentic copies of the signatures of said representatives. Should two or more officials be designated, the designation shall indicate whether such officials may act separately or must act jointly.

(c) The Borrower or Executing Agency shall have presented to the Bank information regarding the special banking account in which the Bank shall deposit the disbursements of the Financing; and

(d) The Borrower, or the Executing Agency, if any, shall have submitted in writing a disbursement request in accordance with the terms and conditions established in Article 4.03(a) hereof.

ARTICLE 4.02. Period for Fulfilling the Conditions Precedent to First Disbursement. If within one hundred eighty (180) days from the effective date of this Contract, or within such longer period as the parties may agree in writing, the conditions precedent to the first disbursement established in Article 4.01 of these General Conditions and in the Special Conditions have not been fulfilled, the Bank may terminate this Contract by giving notice to the Borrower.

ARTICLE 4.03. Requisites for All Disbursements. For the Bank to make any disbursement, it shall be necessary that: (a) the Borrower, or the Executing Agency, if any, shall have submitted in

writing a disbursement request and, in support thereof, shall have supplied to the Bank such pertinent documents and other background materials as the Bank may have required; provided, however, that for Loans in which the Borrower has opted to receive financing in a combination of Single Currencies, or in one or more Single Currencies, the request must indicate the specific amounts of the particular Single Currency(ies) requested for disbursement; (b) requests must be presented no later than thirty (30) calendar days in advance of the date of expiry of the term for disbursement or of any extension thereof which the Borrower and the Bank may have agreed to; (c) none of the circumstances described in Article 5.01 of these General Conditions shall have occurred; and (d) the Guarantor, if any, shall not be in non-compliance for more than one hundred twenty (120) days with any obligation to make payments to the Bank on any Loan or Guarantee.

ARTICLE 4.04. Charges for the Inspection and Supervision Fee. If the Bank determines that an amount shall be charged to cover its expenses for general inspection and supervision in accordance with the Special Conditions, the Bank will notify the Borrower and the latter will indicate whether it will pay the corresponding amount directly to the Bank or whether such amount should be withdrawn and retained by the Bank from the resources of the Financing. Both the payment by the Borrower and the retention by the Bank of any fee allocated to general inspection and supervision will be carried out in the currency of the Loan.

ARTICLE 4.05. Disbursement Procedures. The Bank may make disbursements against the Financing: (a) by transferring to the order of the Borrower the sums to which it is entitled under this Contract; (b) by making payments on behalf of and in agreement with the Borrower to other banking institutions; (c) by establishing or replenishing the Revolving Fund referred to in Article 4.07 below; and (d) by utilizing such other method as the parties may agree upon in writing. Any banking expenses that may be charged by a third party in connection with disbursements shall be borne by the Borrower. Unless the parties agree otherwise, disbursements shall be made only in amounts of not less than the equivalent of one hundred thousand dollars of the United States of America (US\$100,000) each.

CHAPTER V

Suspension of Disbursements and Accelerated Maturity

ARTICLE 5.01. Suspension of Disbursements. The Bank, by written notice to the Borrower, may suspend disbursements if any of the following circumstances occurs and so long as it continues:

(a) Delay in the payment of any sums owed by the Borrower to the Bank for principal, fees, interest, return of advances of funds or for any other reason, under this Contract or any other Loan Contract entered into between the Bank and the Borrower.

(b) Nonfulfillment by the Borrower of any other obligation set forth in the Contract or in any other Contract entered into with the Bank for the Financing of the Project.

(c) Withdrawal or suspension from membership in the Bank of the country in which the Project is to be executed.

(d) The Project or the purposes of the Financing may be affected by: (i) any restriction, modification or alteration of the legal capacity, functions or assets of the Borrower or the Executing Agency; or (ii) any modification or change made without the written concurrence of the Bank of the basic conditions fulfilled before the approval of the Resolution authorizing the Financing or the signature of the Contract. In such cases, the Bank will have the right to require the Borrower and the Executing Agency to provide reasoned and detailed information. Only after hearing the Borrower or the Executing Agency and weighing the information or clarification received, or if the Borrower and the Executing Agency fail to respond, may the Bank suspend disbursements if it considers that the modifications made affect the Project substantially and unfavorably or make its execution impossible.

(e) The non-compliance on the part of the Guarantor, if any, of any obligation set forth in the Guarantee Contract.

(f) When the Borrower is not a member country, any extraordinary circumstance which, in the opinion of the Bank, makes it unlikely that the Borrower will be able to comply with the obligations established in this Contract or to fulfill the purposes for which it was entered into.

(g) If it is determined at any stage that evidence is sufficient to support a finding that an employee, agent, or representative of the Borrower, Executing Agency or Contracting Agency, has engaged in an act of fraud and corruption during the execution of the Program or in the use of the resources of the Loan.

ARTICLE 5.02. Termination, Accelerated Maturity, or Partial Cancellation of Undisbursed Balances and other Measures. (a) The Bank may terminate this Contract with respect to the part of the Financing not yet disbursed or may declare the entire loan or a portion thereof immediately due and payable, together with interest and commissions accrued up to the date of payment if: (i) any of the circumstances set forth in paragraphs (a), (b), (c) and (e) of the preceding article continues for more than sixty (60) days; or (ii) the information referred to in paragraph (d) of the preceding Article, or the clarifications or additional information presented by the Borrower or the Executing Agency or the Contracting Agency, if any, are not satisfactory to the Bank.

(b) The Bank may cancel the part of the Financing pertaining to the procurement of certain goods, works or related services, or consulting services, or may declare the portion of the loan pertaining to such items immediately due and payable, if it determines at any time that: (i) the procurement was carried out without following the procedures set forth in this Contract; or (ii) representatives of the Borrower, Executing Agency or Contracting Agency have committed any act of fraud or corruption, either in the process of selecting the contractor or supplier or consultant, or in the negotiation or execution of the respective contract, and the Borrower has not taken timely and remedial measures, observing the due process guarantees of the Borrowing country's legislation, and acceptable to the Bank.

(c) For the purposes of the above paragraph, acts of fraud and corruption shall be understood to include, but not be limited to, acts of: (i) a corrupt practice is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of another party; (ii) a fraudulent practice is any act or omission, including a misrepresentation, which misleads,

or attempts to mislead, a party in order to obtain a financial or other benefit or to avoid an obligation; (iii) a coercive practice is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or property of the party to influence the actions of a party; and (iv) a collusive practice is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party.

(d) If, in accordance with the administrative procedures of the Bank, it is demonstrated that any firm, entity or individual bidding for or participating in a Bank-financed project including, *inter alia*, Borrower, bidders, suppliers, contractors, sub-contractors, concessionaires, applicants, consultants, Executing Agency or Contracting Agency (including their respective officers, employees and agents) has engaged in an act of fraud or corruption, the Bank may:

- (i) decide not to finance any expenditure related with the execution of the Program or the use of the resources of the Loan;
- (ii) suspend disbursement of the operation as described in Article 5.01 (g) above of these General Conditions, if it is determined at any stage that evidence is sufficient to support a finding that an employee, agent or representative of the Borrower, Executing Agency or Contracting Agency has engaged in an act of fraud or corruption;
- (iii) cancel, and/or accelerate repayment of, the portion of a loan or grant earmarked for a contract as described in Article 5.02 (b) above of these General Conditions, when there is evidence that the representative of the Borrower has not taken the adequate remedial measures within a time period which the Bank considers reasonable, and in accordance with the due process guarantees of the Borrowing country's legislation;
- (iv) issue a reprimand in the form of a formal letter of censure of the firm, entity or individual's behavior;
- (v) issue a declaration that an individual, entity or firm is ineligible, either permanently or for a stated period of time, to be awarded or participate in contracts under Bank-financed projects except under such conditions as the Bank deems to be appropriate;
- (vi) refer the matter to appropriate law enforcement authorities; and/or
- (vii) impose other sanctions that it deems to be appropriate under the circumstances, including the imposition of fines representing reimbursement of the Bank for costs associated with investigations and proceedings. Such other sanctions may be imposed in addition to or in lieu of other sanctions.

(e) The imposition of any action to be taken by the Bank pursuant to the provisions referred to above may be public or private.

ARTICLE 5.03. Non-waiver of Rights. Any delay by the Bank in the exercise of its rights pursuant to this Contract, or failure to exercise them, shall not be construed as a waiver by the Bank of any such rights nor as acquiescence in events or circumstances which, had they occurred, would have empowered it to exercise them.

ARTICLE 5.04. Provisions not Affected. The application of any of the measures provided for by this Chapter shall not affect the obligations of the Borrower established in this Contract, which shall remain in full force and effect, except that in case the entire Loan has been declared due and payable, only the pecuniary obligations of the Borrower shall continue in force.

CHAPTER VI

Records, Inspections and Reports

ARTICLE 6.01. Internal Control and Records. The Borrower or the Executing Agency, or the Contracting Agency, as the case may be, shall maintain an appropriate system of internal accounting and administrative controls. The accounting system shall be organized so as to provide the necessary documentation to permit the verification of transactions and facilitate the timely preparation of financial and account statements and reports. The records of the Project shall be maintained for a minimum of three (3) years after the date of final disbursement of the Loan, in such a way that: (a) make it possible to identify the sums received from the Bank; and (b) allow the identification of the information related with the execution of the Program or the use of the resources of the Loan.

ARTICLE 6.02. Inspections. (a) The Bank may establish such inspection procedures as it deems necessary to assure the satisfactory development of the Project.

(b) The Borrower, the Executing Agency and the Contracting Agency, if any, shall permit the Bank to inspect at any time the Project, the equipment and materials involved therein, and to examine such records and documents as the Bank may deem pertinent. The personnel which the Bank shall send or designate as investigators, agents, auditors or experts for this purpose shall receive the complete cooperation of the respective authorities. All the costs relating to transportation, salaries, and other expenses of such personnel shall be borne by the Bank.

(c) The Borrower, the Executing Agency or the Contracting Agency, as the case may be, shall, upon request of an authorized representative of the Bank, provide to the Bank any documents, including procurement-related documents, that the Bank might reasonably request. In addition, the Borrower, the Executing Agency and the Contracting Agency shall make their personnel available, upon reasonable notice, to respond to questions from Bank personnel, which arise during the review or audit of such documents. The Borrower, the Executing Agency or the Contracting Agency, as the case may be, shall produce the documents in a timely manner or shall submit an affidavit to the Bank setting forth the reasons why the requested material is unavailable or is being withheld.

(d) If the Borrower, the Executing Agency or Contracting Agency, as the case may be, refuses to comply with the Bank's request, or otherwise obstructs the Bank's review of the matter,

the Bank in its sole discretion, may take appropriate action against the Borrower, Executing Agency or Contracting Agency, as the case may be.

ARTICLE 6.03. Reports and Financial Statements. (a) The Borrower or the Executing Agency, as appropriate, shall present to the Bank the following reports, within the periods specified with respect to each:

- (i) When the Special Conditions so require, three copies of the financial statements of the Borrower as of the close of each fiscal year, and supplementary financial information relating to such statements. The financial statements shall be submitted during the period stipulated in the Special Conditions, beginning with the fiscal year in which the Project was initiated and within one hundred twenty (120) days following the close of each fiscal year of the Borrower. This obligation shall not apply if the Borrower is the Republic or the Central Bank.
- (iii) When the Special Conditions so require, three copies of the financial statements of the Executing Agency as of the close of each fiscal year, and supplementary financial information relating to such statements. The statements shall be submitted during the period stipulated in the Special Conditions, beginning with the fiscal year in which the Project was initiated and within one hundred twenty (120) days following the close of each fiscal year of the Executing Agency.

(b) The statements and documents described in subparagraphs (a)(i) and (ii) shall be submitted with the opinion of the auditing entity specified in the Special Conditions of this Contract and in accordance with requirements satisfactory to the Bank. The Borrower or the Executing Agency, as the case may be, shall authorize the auditing entity to provide the Bank with any additional information it may reasonably request with respect to the financial statements and audit reports issued.

(c) In cases in which the audit is to be performed by an official auditing agency and such agency is unable to perform the audit in accordance with requirements satisfactory to the Bank or within the periods mentioned above, the Borrower or the Executing Agency shall contract the services of a firm of independent public accountants acceptable to the Bank. The services of a firm of independent public accountants may also be utilized if the contracting parties so agree.

CHAPTER VII

Provision on Encumbrances and Exemptions

ARTICLE 7.01. Commitment on Encumbrances. If the Borrower should agree to create any specific encumbrance on all or part of its assets or revenues to secure an external debt, it shall at the same time create an encumbrance guaranteeing to the Bank, equally and proportionally, the fulfillment of the pecuniary obligations arising from this Contract. However, the foregoing shall not apply: (a) to encumbrances on goods used as security for payment of the unpaid balance of the

purchase price; and (b) to encumbrances created in banking operations to secure payment of debts with maturities of not more than one year. In the event that the Borrower is a member country, the term “assets or revenues” shall mean all types of assets or revenues which belong to the Borrower or any of its dependent agencies which are not autonomous entities with their own separate capital.

ARTICLE 7.02. Tax Exemption. The Borrower undertakes to ensure that both the principal and the interest and other charges of the Loan shall be paid without any deduction or restriction whatsoever, exempt from any tax, fee, duty or charge established or that may be established by the laws of its country, and to pay any tax, fee, or duty applicable to the signing, negotiation, and execution of this Contract.

CHAPTER VIII

Arbitration Procedure

ARTICLE 8.01. Composition of the Tribunal. (a) The Arbitration Tribunal shall be composed of three members to be appointed in the following manner: one by the Bank, another by the Borrower, and a third, hereinafter called the “Referee”, by direct agreement between the parties or through their respective arbitrators. If the parties or the arbitrators fail to agree on who the Referee shall be, or if one of the parties should not designate an arbitrator, the Referee shall be appointed, at the request of either party, by the Secretary General of the Organization of American States. If either of the parties fails to appoint an arbitrator, one shall be appointed by the Referee. If either of the appointed arbitrators or the Referee is unwilling or unable to act or to continue to act, his successor shall be appointed in the same manner as for the original appointment. The successor shall have the same functions and faculties as his predecessor.

(b) If the controversy affects not only the Borrower but also the Guarantor, if any, both shall be considered a single party and consequently shall act jointly in the designation of the arbitrator and for the other purposes of the arbitration proceedings.

ARTICLE 8.02. Initiation of the Procedure. In order to submit the controversy to arbitration, the claimant shall address to the other party a written communication setting forth the nature of the claim, the satisfaction or compensation which it seeks, and the name of the arbitrator it appoints. The party receiving such communication shall, within forty-five (45) days, notify the adverse party of the name of the person it appoints as arbitrator. If, within thirty (30) days after delivery of such notification to the claimant, the parties have not agreed as to the person who is to act as Referee, either party may request the Secretary General of the Organization of American States to make the appointment.

ARTICLE 8.03. Convening of the Tribunal. The Arbitration Tribunal shall be convened in Washington, District of Columbia, United States of America, on the date designated by the Referee, and, once convened, shall meet on the dates which the Tribunal itself shall establish.

ARTICLE 8.04. Procedure. (a) The Tribunal shall be competent to hear only the matters in controversy. It shall adopt its own procedures and may on its own initiative designate whatever

experts it considers necessary. In any case, it shall give the parties the opportunity to make oral presentations.

(b) The Tribunal shall proceed *ex aequo et bono*, basing itself on the terms of this Contract, and shall issue an award even if either party should fail to appear or present its case.

(c) The award shall be in writing and shall be adopted with the concurrent vote of at least two members of the Tribunal. It shall be handed down within approximately sixty (60) days from the date on which the Referee is appointed, unless the Tribunal determines that, due to special and unforeseen circumstances, such period should be extended. The award shall be notified to the parties by means of a communication signed by at least two members of the Tribunal, and shall be complied with within thirty (30) days from the date of notification. The award shall be final and will not be subject to any appeal.

ARTICLE 8.05. **Costs.** The fees of each arbitrator shall be paid by the party which appointed him and the fees of the Referee shall be paid by both parties in equal proportion. Prior to the convening of the Tribunal, the parties shall agree on the remuneration of the other persons who, by mutual agreement, they deem should take part in the arbitration proceedings. If such agreement is not reached in a timely manner, the Tribunal itself shall determine the compensation which may be reasonable for such persons under the circumstances. Each party shall defray its own expenses in the arbitration proceedings, but the expenses of the Tribunal shall be borne equally by the parties. Any doubt regarding the division of costs or the manner in which they are to be paid shall be determined, without appeal, by the Tribunal.

ARTICLE 8.06. **Notification.** All notifications relative to the arbitration or to the award shall be made in the manner provided in this Contract. The parties waive any other form of notification.

THE ANNEX

THE PROGRAM

Public Financial and Performance Management Program II

I. Objective

- 1.01** The objective of the Program is to continue supporting the Government of Jamaica in carrying out their reform efforts to improve expenditure management and performance management in the public sector. The reforms combine policy initiatives and government actions in four areas: fiscal responsibility, financial management, public procurement; and performance management and accountability. These reforms are critical for the coherent operation of the fiscal responsibility framework and for increasing the efficiency of public expenditure, which contribute to ease the fiscal burden.

II. Description

- 2.01** In order to achieve the above-captioned objective, the overall Program will support the implementation of the following reforms:

Component I: Expenditure Management

- 2.02** Under this component, the Program aims at improving the efficiency of expenditure management by enhancing the legal framework for fiscal responsibility and debt management, and addressing critical public financial management and procurement issues identified in the Country Financial Accountability Assessment (“CFAA/CPAR”). Specifically, the Program interventions and targets under this component are:

Fiscal Responsibility: To enhance accountability, transparency and sustainability in debt and medium term fiscal management, the Program seeks the development and adoption of fiscal responsibility legislation.

Public Financial Management: The Program emphasizes improving the effectiveness of Public Financial Management in key areas such as the enhancement of the legal framework and supporting systems and instruments. This includes: (i) amendment of legislation for the enhanced framework for internal audit and control and the adoption of improved instruments to perform these functions; (ii) modernization of the financial management instruments, including the adoption of a new Chart of Accounts and budget classification system, and the operation of an effective Integrated Financial Information System (“IFMIS”).

Public Procurement: The Program focuses on reforms to support standardization and enforcement of policies and procedures. In this regard, the Program supports reform implementation.

Component II: Performance Management

2.03 Under this component, the Program aims at establishing a Performance Management and Evaluation System (“PMES”) and enhancing the accountability framework for the improved functioning of the Executive Agency (“EA”) and Performance Based Institutions (“PBIs”) models. Specifically, the Program interventions and targets under this component are:

- (a) **Performance Management:** The Program will focus on key elements for enhancing performance management: (i) the implementation of the first phase of the Medium Term Action Plan (“MTAP”); (ii) the establishment of an institutional Performance Monitoring and Evaluation System (“PMES”); and (iii) the improvement of instruments to better link the planning and budgeting functions of government.
- (b) **Accountability framework for EA and PBIs:** Performance management relies on improving the accountability framework, consequently the program focus is on: (i) the issuance of regulations for the EAs Act; (ii) development and approval of a detailed framework for improved performance and contract agreements for Permanent Secretaries (“PSs”) and Chief Executive Officers (“CEOs”) of EAs and Performance Based Institutions (“PBIs”); and (iii) development of an improved governance and accountability framework for the Regional Service Delivery System.

III. Execution
