ATN/OC-12543-JA Jamaica: Support for the
Design of Decentralized Road Maintenance
Programme.

Dear Minister Shaw,

This letter of agreement (hereinafter referred to as the “Agreement”) between Jamaica (hereinafter referred to as the “Beneficiary”), and the Inter-American Development Bank (hereinafter referred to as the “Bank”), which we are submitting for your consideration, is to formalize the terms of a grant in relation to a nonreimbursable technical cooperation programme, up to the amount of five hundred thousand dollars of the United States of America (US\$500,000) (the “Contribution”), or its equivalent in other convertible currencies, which shall be chargeable to the resources of the Subaccount B of the Program to Implement the External Pillar of the Medium-Term Action Plan for Development Effectiveness (PRODEV).¹ The Contribution will finance the contracting of consulting services and the procurement of goods and services (as distinct from consulting services) necessary for the execution of a non reimbursable technical cooperation programme to give support for the design of decentralized road maintenance, the “Programme”, which is set forth in the Annex of this Agreement. Unless otherwise stated in this Agreement, the term “dollars” shall hereinafter refer to the currency of legal tender in the United States of America.

The Bank and the Beneficiary agree upon the following:

First. Components of the Agreement. This Agreement consists of this part one, referred to as the “Special Conditions”; part two, referred to as the “General Conditions”, and the Annex, which are attached hereto. The prevalence between the above-mentioned Sections and Annex is established in Article 1 of the General Conditions.

¹ The Program to implement the external pillar of the Medium-Term Action Plan for development effectiveness (PRODEV), established by the Bank in 2005, as a means to promote investment in the Bank’s borrowing member countries’ capacity to become more effective in the use of all resources, including those provided by the Bank. PRODEV is intended to fund activities on a non-reimbursable basis in support of the borrowing member countries’ public sector, including entities responsible for the implementation of Bank-financed projects.

Second. Executing Agency. The Executing Agency of this Programme shall be the Ministry of Transport and Works, hereinafter referred to as the “Executing Agency” or “MTW”, through the National Works Agency (NWA), whose legal and financial capacity to function as such is certified by the Beneficiary. The Beneficiary undertakes to transfer the resources of the Contribution to the Executing Agency and guarantee that the Executing Agency shall fulfill all the obligations that result from this Agreement.

Third. Conditions Prior to First Disbursement. The first disbursement of the resources of the Contribution shall be subject to the fulfillment, to the satisfaction of the Bank, of the conditions set forth in Article 2 of the General Conditions.

Fourth. Reimbursement of Expenditures Chargeable to the Contribution. With the consent of the Bank, resources of the Contribution may be used to reimburse expenditures incurred or to finance those that may be incurred in the Programme on or after December 6, 2010, and up to the date of this Agreement, provided that requirements substantially similar to those set forth in this Agreement have been fulfilled.

Fifth. Deadlines. (a) The period for execution of the Programme shall be ten (10) months, from the date of this Agreement.

(b) The period for the last disbursement of the resources of the Contribution shall be twelve (12) months from the date of this Agreement, which shall include the period required for the payment of independent public accountants referred to in Article 11 of the General Conditions. Any part of the Contribution which has not been utilized within this period shall be canceled.

(c) The aforementioned deadlines and any others that may be stipulated in this Agreement may be extended, when duly justified, with the written consent of the Bank

Sixth. Total Cost of the Programme and Additional Resources. (a) The Executing Agency undertakes to make timely provision of the resources required, in addition to the Contribution, for the complete and uninterrupted execution of the Programme (hereinafter referred to as the “Counterpart Resources”). The total Counterpart Resources required is estimated to be the equivalent of one hundred thousand dollars (US\$100,000), to make up a sum equivalent to six hundred thousand dollars (US\$600,000), which is estimated to be the total cost of the Programme. These estimates do not reduce the obligation of the Beneficiary to provide any additional resources required to complete the Programme.

(b) The Counterpart Resources provided by the Executing Agency will be in-kind and shall be used to finance the cost categories which are chargeable to it, as established in the Programme’s budget set forth in the attached Annex.

Seventh. Recognition of Expenses Chargeable to the Counterpart Resources. The Bank may recognize as part of the local contribution expenditures incurred or which may be incurred in the Programme on or after December 6, 2010, and up to the date of this Agreement, provided that requirements substantially similar to those set forth in this Agreement have been fulfilled.

Eighth. Currencies for Disbursements. The Bank shall disburse the Contribution in dollars or its equivalent in other convertible currencies. The Bank may convert these convertible currencies into other currencies, including the local currency, by applying the exchange rate indicated in Article 7 of the General Conditions.

Ninth. Acquisition of Goods and Related Services and Selection and Contracting of Consulting Services. The acquisition of goods and related services and the selection and contracting of consulting services will be carried out by the Executing Agency in accordance with the provisions set forth in Document GN-2349-7 ("Policies for the Procurement of Works and Goods Financed by the Inter-American Development Bank") dated 2006, and in Document GN-2350-7 ("Policies for the Selection and Contracting of Consultants Financed by the Inter-American Development Bank") dated July 2006, as well as in accordance with the Procurement Plan referred to in paragraph Tenth of these Special Conditions. The Executing Agency confirms its familiarity with the provisions of said documents.

Tenth. Procurement Plan. Before starting any competitive bidding process or any request for proposals for the acquisition of goods and services (as distinct from consulting services) and for the contracting of consulting services, the Executing Agency shall prepare and furnish to the Bank for its approval, a Procurement Plan acceptable to the Bank setting forth the particular contracts for consulting services required to carry out the Programme, including the estimated cost of each contract, and the proposed methods for acquisition of goods and selection of consultants' services, in accordance with paragraph 1 of Appendixes 1 of Documents GN-2349-7 and GN-2350-7. This Procurement Plan shall be updated annually during the execution of the Programme, and each updated version shall be submitted for the Bank's approval. The Executing Agency shall implement the Procurement Plan in the manner in which it has been approved by the Bank.

Eleventh. Use of Contribution, Contracting of Consulting Services and Procurement of Goods. The resources of the Contribution shall only be used for the payment of consulting services, and the acquisition of goods originating from member countries of the Bank.

Twelfth. Review by the Bank. The Procurement Plan shall indicate the method of review of each contract for the acquisition of goods and for the contracting of consulting services. *Ex ante* review shall be carried out in accordance with the procedures established in paragraphs 2 and 3 of Appendixes 1 of Documents GN-2349-7 and GN-2350-7. *Ex post* review shall be carried out in accordance with the procedures established in paragraphs 4 of Appendixes 1 of Documents GN-2349-7 and GN-2350-7.

Thirteenth. Progress and Evaluation Reports. The Executing Agency undertakes to present to the Bank's satisfaction an intermediary report, six (6) months after the date of signature of this Agreement, and during the Programme's execution, a final report of the Programme detailing all activities and results, once all the activities have been completed.

Fourteenth. Financial Statements. (a) The Executing Agency undertakes to present to the Bank's satisfaction the financial statements of the Programme in accordance with the provisions set forth in Article 11(b) of the General Conditions duly certified by independent public accountants selected and hired pursuant to Bank's policies and procedures.

(b) The cost associated with the auditing referred to in subparagraph (a) above shall be financed with resources of the Contribution.

Fifteenth. Information Disclosure. The Beneficiary undertakes to notify the Bank, in writing, within a maximum period of ten (10) working days from the date of this Agreement, whether it considers any part of the Agreement to be confidential or sensitive, or information that may adversely affect relations between the member countries and the Bank or between private sector clients and the Bank, in which case the Beneficiary undertakes to identify those provisions considered as such. In accordance with the Bank's Disclosure of Information Policy, the Bank will make the text of this Agreement available to the public once it has been signed and has entered into effect, with the sole exception of that information which the Beneficiary has specifically identified as confidential, sensitive or adverse to relations with the Bank in the manner indicated in this paragraph.

**GENERAL CONDITIONS APPLICABLE TO
NONREIMBURSABLE TECHNICAL COOPERATIONS**

Article 1. Application and Scope of General Conditions. (a) These General Conditions set forth terms and conditions generally applicable to all nonreimbursable technical cooperations made by the Bank, and their provisions form an integral part of this Agreement. Any exception to these General Conditions shall be expressly stated in the text of the Special Conditions.

(b) If any provision of the Special Conditions or of the Annex or Annexes should present any inconsistency or contradiction with these General Conditions, the provisions of the Special Conditions or the corresponding Annex shall prevail. In case of inconsistencies or contradictions between the Special Conditions and the corresponding Annex or Annexes, specific provisions shall prevail over general provisions.

Article 2. Conditions Prior to First Disbursement. (a) The first disbursement of the Contribution shall be subject to the fulfillment of the following requirements, by the Beneficiary, directly or through the Executing Agency:

- (i) designation of the person or persons authorized to represent it in all acts relating to the execution of this Agreement, and submission to the Bank of authenticated specimen signatures of such persons. If two or more officials are designated, the designation shall indicate whether they may act severally or jointly;
- (ii) submission to the Bank of a request for disbursement, justified in writing; and
- (iii) presentation to the Bank of a timetable for use of the Counterpart Resources.

(b) If within one hundred and eighty (180) days from the effective date of this Agreement, or within such longer period as the parties may agree in writing, the conditions precedent to the first disbursement established in this Article and in the Special Conditions have not been fulfilled, the Bank may terminate this Agreement by giving notice to the Beneficiary.

Article 3. Disbursement Procedure. (a) The Bank shall make disbursements of the Contribution to the Beneficiary, through the Executing Agency, each time it requests such disbursements and provides justification, to the Bank's satisfaction, for the expenses to be paid with the Contribution resources.

(b) At the request of the Beneficiary, through the Executing Agency, and provided that the requirements set forth in paragraph (a) above, in Article 2 and in the Special Conditions have been satisfied, the Bank may make disbursements against the Contribution: (i) by transferring to the order of the Beneficiary the sums to which it is entitled to under this Agreement, under the modality of reimbursement of expenses related to the execution of the Program that are eligible to be financed

with resources of the Contribution pursuant to the provisions of this Agreement and/or advance of funds representing liquidity needs for a period of six (6) months to cover expenses stemming from the Program Procurement Plan and its updates. Each advance of funds must be justified, once the amount of the project expenses reached 80 percent of advanced amount. These justification must be submitted and accepted by the Bank, prior to any subsequent advances; (ii) by making payments on behalf of and in agreement with the Borrower to third parties; and (iii) by utilizing such other modality as the parties may agree upon in writing.

Article 4. Expenditures Chargeable to the Contribution. The Contribution shall exclusively finance those eligible expenses which are set forth in the Program budget contained in the Annex that describes the Program. Only direct and actual Program expenses may be charged to the Contribution. Indirect or general operating expenses, which are not included in the Program budget, cannot be charged to the Contribution.

Article 5. Request for Final Disbursement. The Executing Agency shall present the final request for disbursement of the Contribution, accompanied by the appropriate supporting documentation, to the Bank's satisfaction, at least thirty (30) days before the expiration of the disbursement period referred to in the Special Conditions of this Agreement, or of any extension thereto that the parties may have agreed upon in writing. This final request for disbursement shall include the supporting documentation required for payment of the auditing services mentioned in Article 11 of these General Conditions.

Article 6. Suspension and Cancellation of Disbursements and Other Measures. (a) The Bank may suspend the disbursements or cancel the Contribution if any of the following circumstances occurs: (i) the failure of the Beneficiary to fulfill any obligation stipulated in this Agreement; (ii) if it is determined at any stage that evidence is sufficient to support a finding that an employee, agent, or representative of the Beneficiary, Executing Agency or Contracting Agency, has engaged in an act of fraud and corruption during the bidding process, negotiation of a contract, or the execution of the contract; or (iii) any circumstance which, in the Bank's opinion, may render unlikely the attainment of the objectives of the Program. Under these circumstances, the Bank shall notify the Executing Agency in writing so that it may present its points of view, and after thirty (30) days from the date of the Bank's notice, it may suspend the disbursement or cancel the undisbursed portion of the Contribution.

(b) Pursuant to paragraph (a) above, the parties agree that upon the occurrence of institutional or organizational changes within the Executing Agency, which, in the Bank's opinion, might affect the timely execution of the Program's objectives, the Bank shall review and evaluate the likely attainment of the objectives and may at its discretion, suspend, condition or cancel the disbursements of the Contribution.

(c) The Bank may cancel the part of the Contribution pertaining to the procurement of certain goods, works or related services, or consulting services, if it determines at any time that: (i) the procurement was carried out without following the procedures set forth in this Agreement; or (ii) representatives of the Beneficiary, Executing Agency or Contracting Agency have committed any acts of fraud and corruption, either in the process of selecting the supplier or consultant or in the negotiation or execution of the respective contract, and the Beneficiary has not taken timely and

remedial measures, observing the due process guarantees of the legislation of the Beneficiary's country, which are acceptable to the Bank.

(e) If, in accordance with the administrative procedures of the Bank, it is demonstrated that any firm, entity or individual bidding for or participating in a Bank-financed Program including, *inter alia*, Beneficiary, bidders, suppliers, contractors, sub-contractors, applicants, consultants, Executing Agency or Contracting Agency (including their respective officers, employees and agents) has engaged in an act of fraud or corruption, the Bank may:

- (i) decide not to finance any proposal to award a contract or a contract awarded for works, goods, related services and consultant services financed by the Bank;
- (ii) suspend disbursement of the Contribution as described in Article 6 (a) above of these General Conditions if it is determined at any stage that evidence is sufficient to support a finding that an employee, agent or representative of the Beneficiary, Executing Agency or Contracting Agency has engaged in an act of fraud or corruption;
- (iii) cancel, the portion of the Contribution earmarked for a contract as described in Article 6 (c) above of these General Conditions, when there is evidence that the representative of the Beneficiary has not taken the adequate remedial measures within a time period which the Bank considers reasonable, and in accordance with the due process guarantees of the Beneficiary country's legislation;
- (iv) issue a reprimand in the form of a formal letter of censure of the firm, entity or individual's behavior;

- (vi) refer the matter to appropriate law enforcement authorities; and/or

- (vii) impose other sanctions that it deems to be appropriate under the circumstances, including the imposition of fines representing reimbursement of the Bank for costs associated with investigations and proceedings. (f) The imposition of any action to be taken by the Bank pursuant to the provisions referred to above may be public or private.

(g) The provisions established in the precedent paragraphs (a) and (c) shall not affect the disbursement by the Bank of any amounts which the Bank by specific written agreement with the Beneficiary, Executing Agency or Contracting Agency, as the case may be, has agreed to provide from the resources of the Contribution to make payments to a supplier of goods and related services or consultant services. The exceptions set forth in this paragraph (g) shall not apply if the Bank determines that acts of fraud and corruption occurred with respect to the procurement of, or the negotiation or execution of the contract for, such goods and related services or consultant services.

Article 17. Limitation of the Bank's Obligation. It is understood that the granting of the Contribution by the Bank does not constitute any obligation whatsoever to totally or partially finance any program or Program that may be undertaken directly or indirectly as a result of the execution of the Program.

Article 18. Arbitration. For the solution of any controversy which may arise hereunder and which is not resolved by agreement of the parties, said parties shall unconditionally and irrevocably submit to the following arbitration procedure and award:

(a) **Composition of the Tribunal.** The Arbitration Tribunal shall be composed of three (3) members, to be appointed in the following manner: one by the Bank, another by the Beneficiary, and a third, hereinafter called the "Referee", by direct agreement between the parties or through their respective arbitrators. If the parties fail to agree on who shall be the Referee, or if one of the parties fails to appoint the Referee, the Referee shall be appointed, at the request of either party, by the Secretary General of the Organization of American States. If either of the parties fails to appoint an arbitrator, he shall be appointed by the Referee. If either of the appointed arbitrators or the Referee is unwilling or unable to act or to continue to act, his successor shall be appointed in the same manner as for the original appointment. The successor shall perform the same functions and shall have the same powers as his predecessor.

(b) **Initiation of the Procedure.** In order to submit the controversy to arbitration the claimant shall address to the other party a written communication setting forth the nature of the claim, the satisfaction or compensation sought, and the name of the arbitrator it has appointed. The party receiving such communication shall, within forty-five (45) days, notify the adverse party of the name of the person it has appointed as arbitrator. If, within thirty (30) days after delivery of such

notification to the claimant, the parties have not agreed upon the person who is to act as Referee, either party may request the Secretary General of the Organization of American States to make the appointment.

In cases of Agreements with Argentina, the parties agree that prior paragraphs (a) and (b), where it reads: "Secretary General of the Organization of American States", it shall read instead: "President of the International Court of Justice."

(c) **Convening of the Tribunal.** The Arbitration Tribunal shall be convened in Washington, District of Columbia, on the date designated by the Referee and, once convened, the Tribunal itself shall decide when it shall meet.

In cases of Agreements with Argentina, the parties agree that this paragraph (c) shall read instead: "The Arbitration Tribunal shall be convened at the place and date it designates and, once convened, it shall meet on the date decided by the Tribunal."

(d) **Procedure.**

- (i) The Tribunal shall be competent only to hear the matter in controversy. It shall adopt its own procedures and may on its own initiative designate whatever experts it considers necessary. In any case, it shall give the parties the opportunity of making oral presentations.
- (ii) The Tribunal shall proceed ex aequo et bono, basing itself on the terms of this Agreement, and shall issue an award even if either party should fail to appear or to present its case.
- (iii) The award shall be in writing and shall be adopted with the concurrent vote of at least two of the members of the Tribunal.
