Re.: **IDB-GIZ Administration Agreement dated as of February 3, 2017**

Dear Mr. Jahn:

Reference is made to the Administration Agreement dated as of February 3, 2017 (the "Administration Agreement") entered into between the Inter-American Development Bank (the "IDB") and Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH (the "GIZ" or the "Donor"), by which the Donor made available to the IDB a Contribution to be administered by the IDB to finance the project GU-T1264 titled "Efficient Use of Firewood and Alternative Fuels in Indigenous and Rural Communities in Guatemala". All capitalized terms used but not defined herein shall have the meanings assigned to them in the Administration Agreement.

Considering that on May 3, 2018 the IDB approved an extension of up to twelve (12) months of the execution period of the Project, the Parties therefore wish to amend the Administration Agreement, pursuant to Section 15 of the Administration Agreement.

The Parties hereby agree to replace in its entirety Section 14 of the Administration Agreement, which shall now read as follows:

"14. This Administration Agreement will come into force on the date of its signature by each of the Parties and will be valid until December 31, 2018."

Except as otherwise expressly modified by the terms of this letter agreement, the Administration Agreement shall remain unchanged and in full force and effect. Further, this letter agreement shall enter into force upon the last signature by the Parties and shall constitute an amendment to, and form an integral part of, the Administration Agreement.

If you agree to the foregoing, please so indicate by signing in the space provided below and returning one of the originals of this letter agreement to the following e-mail address: partnerships@iadb.org.

Sincerely,

Bernardo Guillamon
Manager, Office of Outreach and Partnerships
