Re.: Administration Agreement between Albert B. Sabin Vaccine Institute, Inc. ("Sabin") and the Inter-American Development Bank (the "IDB") regarding Project RG-X1051, titled "Towards the Development of a Facility to Combat Neglected Tropical Diseases and other Infectious Diseases", dated November 10, 2009, as amended – **Amendment No. 04**

Dear Mr. Guillamon:

Reference is made to the Administration Agreement entered into between Sabin and the IDB concerning the project "Towards the Development of a Facility to Combat Neglected Tropical Diseases and other Infectious Diseases", IDB project No. (RG-X1051), dated November 10, 2009 (the "Project"), as amended (the "Administration Agreement").

Following discussions held between representatives of Sabin and the IDB concerning the Project, Sabin and IDB hereby agree to further amend the Administration Agreement and the Project Budget attached thereto in accordance with Section 21 of the Administration Agreement, as follows (throughout this Amendment No.04, capitalized terms used but not defined herein shall have the meanings ascribed to them under the Administration Agreement):

1. The period of execution of the Project and the period of disbursement of the Contribution shall be extended to August 31, 2014.
2. Notwithstanding Section 14 of the Administration Agreement, the IDB shall submit to Sabin a final Project report no later than August 31, 2014.
3. The budget has been updated to include contingency expenses related to finalizing the project report and its dissemination at no additional cost to IDB or Sabin, as set forth in Appendix A.

For the avoidance of doubt, all other terms and provisions of the Administration Agreement not expressly modified herein shall remain in full force and effect. Further,

this Amendment No. 04 shall (i) enter into force on the date of its signature by both Sabin and the IDB, and shall thereupon apply retroactively from May 31, 2014; and (ii) shall constitute an amendment to, and form an integral part of, the Administration Agreement.

If you agree to the foregoing, please indicate so by signing in the space provided below and returning one of the originals of this Amendment No. 04 to me.

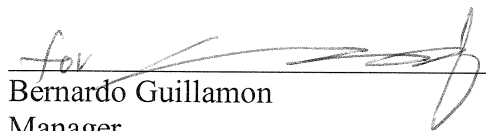

On behalf of Sabin, I would like to extend our gratitude for IDB's continued cooperation and support.

Yours sincerely,

Michael W. Marine, Ambassador (Ret.)
Chief Executive Officer
Sabin Vaccine Institute
