Contract/Bid No. 01, Expressions of Interest

Deadline: 14 May 2009

The Government of the Republic of Trinidad and Tobago has received financing from the Inter-American Development Bank (IDB), and it intends to apply part of the proceeds to payments under the project Electronic Government and Knowledge Brokering Program for a consultancy to improve the institutional and human resource capabilities of public institutions through effective knowledge-transfer on best international practices and technical guidance in the areas of responsibility of ministries and their respective state agencies. This may involve the contracting of expert practitioners of firms to provide advice as well as coaching and mentoring.

The Ministry of Public Administration now invites eligible consultants to indicate their interest in providing the services. Interested consultants must submit information establishing that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

The selection of consultants will be in accordance with the procedures set out in the IDB's *Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank* (current edition) and is open to all eligible bidders as defined in the policies.

Interested consultants may obtain further information at the address below during office hour (08:00 to 16:00). Expressions of interest must be delivered via direct mail or e-mail at the address indicated below by 16:00 hours on Thursday, 14 May 2009.
