

TRINIDAD AND TOBAGO
AGRICULTURE SECTOR REFORM PROGRAMME
Sector: Agriculture
IMPROVEMENT OF GEODETIC INFRASTRUCTURE
Loan No. 882/OC-TT

The Republic of Trinidad and Tobago has received financing from the Inter-American Development Bank (IDB) toward the Agriculture Sector Reform Programme; it is intended that the proceeds of this financing be applied to eligible payments under the contract for which this invitation for bids is issued.

The Central Tenders Board now invites sealed bids from eligible bidders from IDB's members countries for the improvements to the geodetic infrastructure of Trinidad and Tobago.

Interested bidders must show proof of their eligibility, legal status, technical and financial capabilities, and relevant experience for the supply of Global Positioning System (GPS), goods and related services.

For the award of contract, the order of merit of the qualified bidders will be established on the basis of (i) technical proposal (pass or fail) and (ii) economic proposal (100%).

A pre-bid meeting will be held at the Central Tenders Board's Office at the address below on Friday, 31 October 2003 at 1000 hours. Bidders who are unable to attend may send written requests for clarifications, which will be dealt with at the pre-bid meeting.

Interested bidders may obtain further information, including eligibility to participate, and may inspect the bidding documents at the office of the Programme Coordinating Unit, Agriculture Sector Reform Programme, at the first address below.

A set of bidding documents may be obtained by collection from the Programme Coordinator, Agriculture Sector Reform Programme, at the same address, or downloaded from the web site below.

Potential bidders should register their interest with the Programme Coordinator, Agriculture Sector Reform Programme, so they can be notified of any changes on the bidding documents or deadlines.

Sealed bids must be submitted in one envelope, that contains both the technical information and the economic proposal, and be clearly marked "Improvement of the Geodetic Infrastructure of Trinidad and Tobago - Agriculture Sector Reform Programme - Loan No. 882/OC-TT".

The envelope must be deposited in the brown tenders box located in the lobby of the Central Tenders Board's Office (second address below), no later than 1300 hours (local time) on Thursday, 4 December 2003. Tenders will be opened shortly thereafter in the presence of the bidders' representatives who choose to attend.

The Central Tenders Board is not responsible for bids not received on time. Late bids will be rejected and returned unopened.
