

Reference Number: IDB530-665/05

**Country: BARBADOS**

**Project: SOLID WASTE MANAGEMENT PROGRAMME**

**Sector: Water Supply / Sewerage**

**Abstract: CONSTRUCTION SERVICES TO RETROFIT A SOLID WASTE DISPOSAL FACILITY**

**Loan No. 1130/OC – BA**

This notice appears in *UN Development Business* online only and not in the printed version. Although this notice is assigned to a specific print issue, the official publication date of this notice is considered the date that it is posted online (see below).

The Government of Barbados has received a loan from the Inter-American Development Bank (IDB) to assist in financing the development of a solid waste management programme, and it intends to apply part of the proceeds of this loan to payments under the contract for construction services to retrofit a solid waste disposal facility.

These services include:

- Excavation of approximately 145,000 m<sup>3</sup> of earth
- Excavation and recompaction of natural clay liner
- Supply and installation of 108,500 m<sup>2</sup> of geotextile
- Transportation and installation of 20,500 tonnes of stone
- Supply and installation of 1100 lineal metres of leachate collection pipe
- Supply and construction of scalehouse and weigh scales
- Supply and construct 8000 m<sup>2</sup> of paved roads
- Supply and construction of 15,000 m<sup>2</sup> of rip-rap lined channels
- Ancillary works related to the project

Works pertaining to the above should commence in January 2006 and last for less than nine months.

The Sanitation Service Authority now invites eligible contractors to submit their tenders for the provision of services. Contractors may associate to enhance their qualifications; however, firms, joint ventures or partnerships submitting tenders must be from member countries of the IDB.

The applicable rules of the IDB will apply in determining eligibility of the tenders and works under this contract will be subject to the provisions of the Loan No. 1130/OC-BA for the Solid Waste Management Programme between the Government of Barbados and the IDB.

Any firm incorporated outside of Barbados that is eventually awarded a contract by the Government of Barbados must register in Barbados under the “Companies Act of Barbados”.

Interested eligible bidders, who wish to obtain bid documents under IDB procedures, or those requiring additional information, should contact the Engineering Consultant at the first address below. The cost for the drawings and specifications is US\$ 250.

Information may be available from the second address below.

Copies of the tender documents must be delivered in sealed envelopes to the third address below.

Tender documents should be clearly marked: “Tender documents to retrofit a solid waste disposal facility- Barbados” and must be submitted to the third address below no later than 1600 hours (local time) on 16 November 2005. Late submissions will not be accepted.
