PROVISION OF HARDWARE EQUIPMENT
Loan No 980/OC-BR
Technical Cooperation Project BRA/97/032
International Public Bidding No. 40-095/2003

The United Nations Development Programme (UNDP), upon request of the above-cited technical cooperation project, signed between the Ministry of Finance, UNDP and the Brazilian Government, with resources from the National Treasury and the above-mentioned loan Agreement, make public to all interested parties that at 1030 hours (Brasília time) on 2 May 2003, at the address below, a public session will be held to receive and open proposals for the international public bidding cited above.

The bidding session aims at the selection of companies for providing hardware equipment (computers, servers, switches, softwares, etc.), to be acquired by UNDP, under the project Coordination of the Fiscal Modernization Programme of the Brazilian States, according to the conditions set forth in the Interamerican Development Bank's Procurement Guidelines.

The bidding documents may be requested by all interested firms at the web site or at the address below, from 0900 to 1230 hours and from 1400 to 1800 hours, Monday through Thursday, and from 0900 to 1230 hours on Fridays, by formal requisition, which will be registered on the list of participants, so UNDP will be able to send any correspondence, questions and their respective answers regarding the bidding documents, to all bidders.

Firms requiring further information about the acquisition of the procurement documents may contact UNDP, by fax or e-mail listed below.
