Dear Dr. Rogers:

**Re: Executing Agency: Technical Cooperation No. BL-T1116: Support for the
Implementation of Education Quality Improvement Program II (EQIP II)**

The Government of Belize has secured funding from the Inter-American Development Bank through Technical Cooperation No. BL-T1116, "Support for the Implementation of Education Quality Improvement Program II" in the sum of One Hundred and Fifty Thousand United States dollars (US\$150,000.00).

The objective of the proposed Technical Cooperation is to provide technical assistance to the Ministry of Education, Youth, Sports and Culture in the evaluation of EQIP II, including technical support in the design of sampling, evaluation instruments and data cleaning and analysis.

Based on the Bank's experience in the design and execution of similar interventions, the Ministry of Economic Development and Petroleum, hereby requests that the IDB act as the executing agency for this TC.

We anticipate your favorable consideration of this request and would greatly appreciate the Bank's support in keeping us apprised of any developments regarding the implementation of the Technical Cooperation.

With best wishes
Economic Development and Petroleum
