<b>Estimated date of signature of the contract:</b>	March 2008.
<b>Estimated date of the final disbursement:</b>	February 2009.

## II. INTRODUCTION

### A. Introduction

Selection and contracting of consultants will be carried out following the provisions of GN-2350-7 (“Policies for the Selection and Contracting of Consultants”) of July 2006. The procurement of goods is not anticipated in the Program, but if necessary during Program execution, it will be carried out in accordance with the provisions of GN-2349-7 (“Policies for the Procurement of Works and Goods”) of July 2006.

### B. Project procurement

The following is a general description of the procurement planned for the proposed project.

**Works procurement:** NA

**Goods procurement:** The procurement of goods is not anticipated in the Program, but if necessary during Program execution, it will be carried out in accordance with the provisions of GN-2349-7 (“Policies for the Procurement of Works and Goods”) of July 2006.

**Procurement of non-consulting services:** Non-consulting services for the Program include Publication Materials related to the papers and results of the Seminar.

## III. PROCUREMENT PLAN

The plan, which is summarized in Appendix 1, indicates the procedure to be used for the contracting and the method of selecting consultants, for each contract or group of contracts. It also indicates cases requiring prequalification; the estimated cost of each contract or group of contracts; the requirement for prior or post review by the Bank; and estimated dates for the publication of specific procurement notices and completion of the contracts included in this project.

The following documents can also be found on the Bank’s website (<http://www.iadb.org:Information on project procurements>).

#### **IV. PROJECT PROCUREMENT**

The procurements to be made for the proposed project are described in general below.

**A. Goods procurement:**

- a. NA

**B. Procurement of consulting services:**

- a. Consulting services for the project include individual consultants for the thematic studies in the following areas: (i) cognitive biases of youth involved in violence and effective ways of redressing those biases; (ii) role of empathy in violent behavior and effective ways of rebuilding empathy as a component of social reintegration; (iii) role of emotional self-regulation and healthy expression of anger as a component of social reintegration; and (iv) role of the social context in the social reintegration of youth and effective ways to prepare and support the communities into which they are being reintegrated.
- b. The consultants to be hired for the project will be selected will be selected in accordance with the policies in document GN-2350-7.
- c. Individual consultants are selected on the basis of their qualifications for the assignment. Advertisement is not required and consultants do not need to submit proposals. Consultants shall be selected through comparison of qualifications of at least three (3) candidates. Individuals considered for comparison of qualifications shall meet the minimum relevant qualifications and those selected to be employed by the Executing Agency shall be the best qualified and shall be fully capable of carrying out the assignment. Capability is judged on the basis of academic background, experience and, as appropriate, knowledge of the local conditions, such as local language, culture, administrative system, and government organization.

**C. Operating expenses:**

- a. NA.

**D. Bank review of procurement decisions**

The Bank will be responsible for the contracting of consultants.
