NEW AMSTERDAM-MOLESON CREEK ROAD REHABILITATION PROJECT

Consulting

EVALUATION OF THE DEMERARA RIVER CROSSING DEVELOPMENT  
ALTERNATIVES

Loan No. 1554/SF-GY

Extension of Closing Date

**This notice appears in *UN Development Business Online* only and not in the printed version. Although this notice is assigned to a specific print issue, the official publication date of this notice is considered the date that it is posted online.**

The Government of Guyana (GOG) has received financing from the Inter-American Development Bank (IDB) for the New Amsterdam to Moleson Creek Road Rehabilitation Project. One component of the Project is to conduct a Feasibility Study for the Demerara River Crossing.

The Government of Guyana (GoG) through the Ministry of Public Works and Communications (MPW&C) proposes to construct a new bridge to replace the current floating bridge subject to the confirmation of technical, economical, financial and operational viability of possible options. The main objective of this Project is to evaluate alternative development options for the crossing of the Demerara River. This evaluation will cover engineering, economic, financial, social and environmental aspects.

The Works Services Group now invites eligible Consultancy Firms from any member country of the IADB to submit their expression of interest which must include details of work in the same area of specialization.

Terms of Reference (TOR) can be obtained upon request from the under-mentioned address during normal working hours.

The overall responsibility for the performance of the duties described in the Terms of Reference shall be undertaken by the Team Leader. The duration of the study should not exceed six months.

The selection of the shortlist will be based on qualifications and relevant experience of the firm.

The closing date for the submission of Expression of Interest has been extended to March 25, 2008

Applications must be placed in a sealed envelope and addressed to: The Coordinator, Works Services Group  
Ministry of Public Works, Wight's Lane, Kingston  
Georgetown, Guyana.

Applications must be clearly marked at the top left-hand corner "PROVISION OF CONSULTANCY SERVICES - EVALUATION OF THE DEMERARA RIVER CROSSING DEVELOPMENT ALTERNATIVES"
