NEW AMSTERDAM-MOLESON CREEK ROAD REHABILITATION PROJECT

Consulting

PROVISION OF CONSULTANCY SERVICES

GOG/IADB Loan No. 1554/SF-GY

The Government of Guyana (GOG) has received financing from the Inter-American Development Bank (IDB) for the New Amsterdam to Moleson Creek Road Rehabilitation Project. One component of the Project is to conduct an Urban Transport Study for Georgetown.

The main objective of this Project is to support the Government of Guyana in its efforts to develop sustainable transport policies and integrated transport strategies and also to support improved mobility and access for residents and visitors to Georgetown whilst recognising the growing concerns of traffic volumes and of environmental degradation.

The Works Services Group now invites eligible Consultancy Firms from any member country of the IADB to submit their expression of interest which must include details of work in the same area of specialization. Terms of Reference

(TOR) can be obtained upon request from the under-mentioned address during normal working hours.

The overall responsibility for the performance of the duties described in the Terms of Reference shall be undertaken by the Team Leader.

The total duration of the study should not exceed twenty six weeks.

The selection of the shortlist will be based on qualifications and relevant experiences of the firm.

Interested firms are required to submit their Expression of Interest by May 6, 2008.

Applications must be placed in a sealed envelope and addressed to: The Coordinator, Works Services Group
Ministry of Public Works, Wight's Lane, Kingston
Georgetown, Guyana.

Applications must be clearly marked at the top left-hand corner "PROVISION OF CONSULTANCY SERVICES - GEORGETOWN URBAN TRANSPORT PROJECT"

Further information may be obtained from the following Office:

Coordinator, Works Services Group

Wight's Lane

Kingston, Georgetown
